## 1. Introduction

2006 Prof. Momchil Dobrev and Prof. Mariola Garibova-Dobrev create Theory and Practice for Mastering the World in order to impose a New World Order. The entire theory describes the possibilities of the plans to impose a New World Order since the 19th century, describing all the steps of the representatives of banking, financial, resource, technological, mafioso materialism and mafia, imposing a New World Order, mastering the sovereignty of all countries, the schemes for imposing A new world order, using for this purpose stratification and unlocking a world pandemic.

In the year 2006 Lord Prof. Momtchil Dobrev and Prof. Mariola Garibova-Dobrev developed a Theory of Social Human Genocide", which theory proves the plans and actions of the deep mafia to reduce the population of the Earth, make people sick, deprive people of a health system, an education system with the ultimate goal of governance mind control of people. In 2006, Prof. Momchil Dobrev and Prof. Mariola Garibova - Dobrev created Theory and Practice of Creating and Managing Fear. Prof. Momchil Dobrev and Prof. Mariola Garibova-Dobrev created in 2006 and the scheme of the Spiral Centrifuge Tunnel, which can be used to realize social and human genocide and the imposition of a New World Order.

In the year 2010 Lord Prof. Momtchil Dobrev developed the "Theory of Mafiotismus" as a new state niveau based on private and personal interests of the prime-minister, ministers, government.. Based on this "Theory of Mafiotismus" Lord Prof. Momtchil Dobrev developed 2010 the "Financially banking resource-based technological mafia-driven materialism" as a based principle materialism since more than 17 century.

In the year 2001 Lord Prof. Momtchil DObreV developed the Theory of the mafia and Theory of corruption . All the both theories has been developed by analyzing of the mafia and the corruption all over the world. .

In the year 2008 Lord Prof. Momtchil Dobrev developed the "Theory of generating crises". The theory of generating crises has been developed by analyzing all the relationships between countries, and lysing the causes and consequences of crises. The theory examines all possible options for generating crises.

In 2020 year when the covid 19 pandemic occurred, it proves the scheme to take over the world in order to impose a new world order, using the tunnel centrifugal spiral scheme to impose zygital dictate, dictatorship, digital mafia-fascism in the whole world

The scheme used in COVID-19 is actually a dress rehearsal of the launch of the entire system of the deep mafia to impose a new normality and accordingly the New World Order shows a precise

and clear system of manipulation, genocide against man and population all over the world with the ultimate goal of Imposing a New normalities and a new world order.

This article is precisely about how a supranational institution like the World Health Organization has been used since the pre-sative years of mafia-fascism to implement the plan to impose a NEW World Order, taking into account the last steps for this from the 77th World Assembly of the World Health Organization on May 27 2024 to June 1, 2024.

2006 Prof. Momchil Dobrev and Prof. Mariola Garibova-Dobrev develop the theory and practice of mastering the entire world and imposing the new world order by the representatives of mafia, financial banking resource technological mafioso materialism, or in short neoliberal mafia fascism.

### **2.1. The goal of imposing a NEW WORLD ORDER through a World Government includes the following:**

This world government will be created by the owners of the world corporations of masonic mafia-fascism, politicians trained and created for this purpose from within mafia-fascism. For decades, mafia-fascism has been creating its leaders, training, support, financial support, training, inclusion in Masonic lodges

Imposing a NEW WORLD ORDER without using war, financial, economic and other crisis, different types of revolutions - yellow, pink, colored, counter-revolutions and others. They involve a lot of money, violation of liberties, rights, loss of life, but they are limited in scale, small in volume, small in scale, about a territory, a continent, a country, a lot of finance, a lot of organization, employing a lot of people, a lot of finance for payment of salaries and others to the employed, people, a lot of time for manipulation, propaganda, attracting people to do it.

The cheapest option for imposing a NEW WORLD ORDER to fulfill the UN's 2001 program is the emergence and realization of a worldwide pandemic.

#### THE PLAN - A 2001 UN DOCUMENT FOR A NEW WORLD ORDER

The complete plan for the GREAT RESET of the Global Masonic Elite and the Deep Mafia In reality, plans are repeatedly made to impose a New World Order. However, here we will not mention dates and persons involved in the imposition of a New World Order.

Here we quote a statement by Henry Kissinger:

Once the herd accepts a mandatory vaccination it's game over! They will accept anything! Control the thinking of the sheep and you will control the flock. Vaccine manufacturers are making billions, and many of you in this room today are investors. That's a big win! We thin the herd and the herd pays for the services provided to destroy them Now, what's for lunch!! "They must all be vaccinated and chipped first! Then they can go outside! – Bill Gates

The beginning of the "Cold War" 1947 - Alan Foster Dulles - the first head of the CIA - stated:

"We will throw all the gold of the USA, all the power of the USA to deceive and fool the people of the socialist world. Unnoticed, we will replace human values with false ones. HOW? We will find like-minded people in these countries and Russia. We will deploy destructive work on a grandiose scale, we will tear out the social essence of literature, we will encourage authors who instill in man a cult of sex, violence, sadism, betrayal - that is, immorality. We need writings ridiculing naturalness and integrity as archaic old-fashioned simpletons, impudence, lies and deceit, drunkenness and drug addiction, animal fear among people, shamelessness, slander and many more vices inherent in man must be stirred up. Thus we will shake generation after generation, we will cause erosion and corruption of the youth. We will create a person with the consumptive psyche of an elementary consumer. We will do all this under the motto PROTECTION OF HUMAN RIGHTS and CIVIL RIGHTS".

The new world system according to Rockefeller March 20, 1969. Planned Parenthood "Population reduction, permission to have children, new guidelines for the meaning of sex, sex without procreation, universal access to contraceptives, youth sex education as a tool for world government, government funded abortions to reduce population , supporting homosexuality, sexless

reproductive technologies, family destruction, euthanasia and the "death pill", limiting access to paid health care to get rid of the aging population, strict control of access to medical services, elimination of private doctors, difficulties in diagnosis of new incurable diseases, making cancer treatment more difficult to reduce the population, causing heart attacks to eliminate people, early schooling to speed up puberty and evolution, merging all religions, eliminating old religions, changing the bible, by revision keywords, schooling as a tool for indoctrination, extending school time without children learning anything, controlling access to information, schools as community centers, confiscating certain books from libraries, legal changes that unleash social and moral chaos, supporting drug use to create an urban jungle atmosphere, encouraging alcohol consumption, restricting free travel, needing more prisons, using hospitals as places of isolation, creating psycho-hospital and physical insecurity, using crime to rule society, curbing American industrial dominance, displacement of peoples and economies, uprooting of society, sport to remake society, sex and violence in entertainment, implanting identification cards / microchips / food control, atmospheric control conditions, getting to know people's behavior in order to instill what is required, falsifying scientific findings, using terrorism as a basis for imposing control."

Television that monitors the individual, ownership of property passes into oblivion, the advent of a new notary system.

Here we will also quote a speech from the speech of Muammar Gaddafi, the leader of the Jamahiriya Libya, at the 64th session of the United Nations in 2009. , who said the following:

"They will create viruses themselves and sell you vaccines afterwards, they will pretend they need time to find a solution even though they already have it"

Rudolph Steiner – “At one time the Spirit was removed by decree of the church council, and the soul will be removed by pharmacotherapy. A vaccine would easily be drawn up, with which the organism would be processed from the earliest childhood, even from birth, so that it would be completely impossible for the human body to ever come to the thought: "I know that soul and Spirit exist!" GA 177/5

Here we quote the plan that is located and prepared in the UN and which plan concerns the period from 2021 to 2030. and is dated 21.09. 2001 This plan is quoted by Rabbi Amon Yitzchak

## 3. THEORY OF SOCIAL HUMAN GENOCIDE and SPIRAL CENTRIFUGE TUNNEL CYCLE by Prof. Momchil Dobrev and Prof. Mariola Garibova-Dobрева 2006

2006 Prof. Momchil Dobrev and Mariola Garibova create a THEORY OF SOCIAL HUMAN GENOCIDE, in which all means are used for genocide and pressure on the population and creating a new normality and imposing a new normality - NEW WORLD ORDER..

In this article, we will not consider this theory, in which through - food, drugs, health care, education, chemical spraying, GMOs, creation of new drugs to cause new diseases, increasing influence of deadly diseases, lack of health care, deprivation of health care from methods and ways of treatment that lead to a positive result with less means, prices, imposing a system of education that achieves the dumbing down, zombification of the young population, replacing history, high price pressure, high price pressure , costs, of services, products.

The Theory and Practice of Social Personal Genocide uses the same cycle as the following:

CYCLE - THE FORMULA OF HUMAN SOCIAL PERSONAL GENOCIDE

Threat, - fear, uncertainty - chaos - panic, manipulation, propaganda, proposal for a solution, proposal to impose a new norm, imposing new laws to satisfy this new norm - this genocide

Creating a threat, fear.

Sustaining the fear - in amplitude, of the threat.

Increasing the fear, the threat.

Expansion of fear, of threat.

Multiplication of fear, of threat.

Modification of fear, threat.

Creating fear, threat at different levels of needs.-

Creating fear-threat at different levels of perception.

Stress – maintaining stress, increasing fear, multiplying fear/stress,

Causing a change in a person's normal state

Challenging another normality – a new one.

Causing mental illness and mental disorders.

### 3.1. CYCLE – THE FORMULA OF THE TUNNEL SYSTEM – SPIRAL – CENTRIFUGE OF HUMAN GENOCIDE as an example of the COVID-19

VIRUS - THREAT - ANXIETY/WORRY - STRESS - FEAR - TENSION - UNCERTAINTY - CHAOS - PANIC - MENTAL DISORDERS - solution proposal - vaccine - Lockdown, NEW TYPE OF VIRUS - LOCKDOWN , VACCINE - forced VACCINATION - RELEASE MEASURES - REDUCE MEASURES, NEW SPECIES - VIRUS MODIFICATION - NEW WAVE - / ENTERING A NEW WAVE / - IMPOSING A NEW LOCKDOWN/ new ORGANIZATIONS, CAUSING FORCED VACCINATION - RELEASING MEASURES / REDUCING

MEASURES - CAUSING VACCINATION / OTHER AGE GROUPS - NEW VIRUS- modified – NEW WAVE - a booster dose and so the cycle spirals, with manipulation at every level.

The cycle quickens and accelerates. IT ACTS LIKE A CENTRIFUGE.

The cycle is a spiral.

The centrifuge leads to more and more vaccination, during a precisely defined period, a new vaccination through a booster dose, another booster dose,

With each cycle, the tension and pressure on the population intensifies, multiplies, the coercion on the population increases. With each cycle, the pressure, the coercion on those who think otherwise, on those who do not want to be vaccinated, increases. Each cycle also increases the manipulation and anger, the pitting of the vaccinated against the unvaccinated and the unwilling to vaccinate, directed by the manipulation of the state, which aims for real war between different groups of the same stratum, shifting the focus of the problem and is directed at the anger between the other population groups - the vaccinated and the unvaccinated and the unwilling to be vaccinated. With each cycle, more and more groups of people are included - after the first wave, a second wave follows, a third wave follows - compulsory vaccination of children, young people, compulsory vaccination of adults, compulsory vaccination of workers in restaurants, malls, businesses is used.

With each cycle, more and more people from different strata are involved - workers serving in state and municipal organizations and institutions.

With each cycle, the pressure on companies, industry, industrial enterprises to not allow unvaccinated workers and employees into their workplaces increases.

With each cycle, the pressure and the stratification and the confrontation between vaccinated and unvaccinated and unwilling to vaccinate also increase.

With each cycle, the stratification and confrontation between different strata of society, different groups of workers, different groups of employees, different types of industries, different types of enterprises, is intensified and the pressure is on.

With each cycle, the financial pressure on the population also increases, the prices of medicines increase continuously - they reach tens of times increase, increase in prices of services, food, living expenses - electricity, water, gas.

Fear - the secret weapon for manipulation, management, control of the population

Creating fear is a method of controlling people.

### **3.2. STAGES OF THE FEAR CREATION PROCESS based on Theory and practice of fear creation and management by Prof. Momchil Dobrev and Prof. Mariola Garibova-Dobreva - 2006**

Creating a threat that creates fear.

Sustaining the fear - in amplitude, of the threat.

Increasing the fear, the threat.

Expansion of fear, of threat.

Multiplication of fear, of threat.

Modification of fear, threat.

Creating fear, threat at different levels of needs.

Creating fear, threat at different levels of perception.

Stress – maintaining stress, increasing fear, multiplying fear / stress.

Causing a change in a person's normal state.

Challenging another normality.

Causing mental illness and mental disorders

Threat creates fear.

Threat Enhancement, Threat Sustainment, Threat Expansion, Threat Multiplication,

It is a threat to life, it is a threat to health, whether it will provide itself with food after the economy is blocked and it does not work.

The threat is to his family, to relationships, contacts, respect in his family, among children, relatives, parents, loved ones, the threat is also to close love relationships with relatives, wife, husband.

The threat is to life after the lockouts, whether he will have the means to live, whether he will be able to pay his bills, expenses, expenses for family, children, life and others.

The threat is about life in the environment, the surroundings, the city, the village, the area.

The threat is whether he will be able to provide food for his family, relatives, loved ones, elderly parents.

The threat is whether it will be able to provide medicines, whether it will have the required medicines in pharmacies.

He threatened whether he would have access to hospitals, polyclinics.

The threat is home

It is a threat to a person's safety from not being infected by contact with a neighbor, relative, friend, relative, fellow employee, employee at a pharmacy, polyclinic, hospital.

The threat is whether he will be able to work, whether he will not be fired, whether he will keep his job, how he will work in a lockout,

The threat is to the career, to the post reached, position in the work, in the service, to the trust.

The threat is whether he will maintain the value of his name, at his professional level.

The threat of whether he will maintain his level in social relationships, his level in work,

The threat is whether he will keep the respect of his colleagues, his friends, relatives, relatives, neighbors.

The threat is whether he will maintain the prestige and respect for himself from colleagues in the service, the job, after the middle of the level in which he is.

The threat is whether he will maintain his development in his work, the evaluation he has reached in his work, the recognition in his

work - his service, the respect of all levels of contact in his work in the service.

Create an apparent threat. Threat creates stress on all levels of consciousness.

The threat creates fear in all levels of the population - students, students, workers, bosses, employees in public administration, employees in private companies

Fear is created at all levels of society.

Fear in children - small children, children in kindergartens, children - students in small classes, students in large classes, students.

Fear in parents of all kinds of children.

Fear in employees.

Fear between different representatives of different strata of society.

- between students, between fellow students
- between passengers in city and intercity transport, in road transport, bus, city, transport, metro, trains, planes

Between citizens served in different institutions:

- hospitals
- polyclinics
- theaters
- cinemas
- halls, - gyms, sports halls
- salons
- shops
- small shops
- supermarkets
- stores from large m/chains with over 300 sq.m. area – malls
- retail stores
- wholesale shops

Fear is created at all levels.

At the level of physiological needs, about whether I will survive, whether I will not get sick, whether I will not be infected by relatives, friends, employees, of administrations, of colleagues at work, of employees at work, of a boss, of employees in administration, in hospitals, polyclinics, emergency services, halls, universities.

Fear sickens the psyche in depth.

Fear cannot be converted into courage, but into helplessness in the case of Covid 19

The fear created in the pandemic is caused by stress, frustration, anxiety, crisis, chaos, panic, etc. here we are talking about a specific fear, a phobia - a pathological form of fear of the pandemic,

Fear is related to affect.

- The affect occurs quickly and disrupts the normal course of consciousness, interrupting its unity and harmony.
- In this case, the affect is long-lasting, intensifying and attacks and resets mental endurance.
- Affect in the specific case narrows the field of consciousness, seeks to conquer it completely and displace everything else from it.

- The problem here is that the affect leads to a real escape from reality, but there is nowhere to go, no escape.
- The affect in the specific case obliterates the sensitivity of the person. His senses are not functioning, they are wrong.
- The affect of fear completely paralyzes thinking.
- Affect suppresses the will. Man becomes impulsive in his actions, Man is manipulated by propaganda and the media.
- Affect causes illogical thinking.

Fear develops at all levels of consciousness, subconsciousness,

Fear also develops in all levels of needs.

So fear is a very unpleasant feeling and a very primal emotion that arises in the animal or man naturally, spontaneously, at the slightest perception of danger or harm. A physical process that triggers fear is located in the human brain and it causes an immediate physical manifestation such as - increase in blood pressure, increase in blood glucose, palpitations, vertigo, dizziness, shortness of breath, feeling helpless, fear of death, fear of going crazy, a real loss of control over reactions.

### **3.3. MANIPULATION PERFORMED during the whole process**

#### **ALL THIS TIME PROPAGANDA, ALL THE TIME CREATION OF PUBLIC OPINION**

Fears are about all types of needs and the hierarchy of needs

Fears are on all elements of life, survival, security.

The intervals are short, the amplitude is huge, CONSTANT, INCREASING.

MANIPULATION on ALL LEVELS - mostly through television, scientists, mathematicians who give their advice and conclusions on medical problems.

PRESSURE - RESTRICTIONS FOLLOW SPECIFIC INDUSTRIES - Restaurants, hotels, schools, halls, universities, courts.

MANIPULATION AT ALL LEVELS.

The purpose of manipulation is control, management of people and their consciousness. Here manipulation is direct, unconcealed, overt, strong, real hidden manipulation of people. Manipulators find the weak point in people - the fear of death, the fear of contagion, the heightened fear of not being infected, so that they do not die.

There is no trust here and it is not aimed at, as it is a real threat to people's health and lives.

The aim here is to develop a sense of duty both to oneself and to other people.

This is done on an unconscious path.

The continuous repetition, the repeated, whole zombification of the population.

All this happens on a subconscious level. The goal is control, management of the will of the people.

There is actually mass manipulation of consciousness.

Manipulation makes real and causes a change in people's perceptions, behavior.

The tactic is hidden, violent.

Manipulation aims at managing people's behavior towards fear, threats, stress. In reality, people are not given the opportunity to think, draw conclusions, analyze data, facts, evidence.

Continuous repetition aims to create trust, belief that the actions and decisions of the institutions are correct.

There is actually a psychological impact, psychological violence on people's consciousness, actions, behavior, reactions.

In reality, a lie repeated multiple times every day leads to forced trust.

In reality, the goal of manipulation is the value system, beliefs, stereotypes and their real neglect, reset in this process.

In reality, people are deprived of their freedom of choice, of any choice, people are deprived of their free will. In reality, people are being disoriented.

In this manipulation, not only media, print, but also all information channels - Internet, and others - are used.

In reality, the coercion of the manipulation has been achieved.

Manipulation leads to the conclusion that this is ALL NATURAL AND INEVITABLE.

In this short and massive process of manipulation, people have no time to doubt the messages, the data, the facts.

In reality, manipulation hides aggressive intentions and behavior.

In reality, manipulators know people's psychological vulnerabilities.

Manipulators are not at all concerned about the damage, moral, emotional, psychological, behavioral, etc. to people.

There is actually a cheat by default.

Manipulators do not give any direct answers, scientifically based, manipulation and manipulation is through threats.

They increase fear and uncertainty.

Unconditional obedience is aimed for.

Obedience and the implementation of all actions and measures are aimed at

It actually eliminates the resistance of people's consciousness to think, discuss, evaluate data, facts, evidence.

Aims for confusion, through accusations.

Manipulation uses anger, fear, threats.

Manipulation excludes independence, the ability to oppose. Through threats, it is the generation of fear, threats are made to complete naivety, one hundred percent performance of actions, real crushing of consciousness, deprivation of the right to convictions, to reflection, to meaning, to thought.

Manipulation makes people emotionally dependent one hundred percent on the manipulation of media, information networks and systems.

Trust is forced through manipulation.

Through manipulation, one aims and achieves – blocking of consciousness, blocking of thought, blocking of the ability to think, for reasoning, concluding statements, blocking of the possibility of analyzing data, facts, results, analysis of lies, evaluation of truth, distinguishing lies from lies the truth.

There is no truth or lie here, only what is asserted is the forced truth.

In reality, there is and is a replacement of the facts, the evidence.

Personal beliefs are attacked and manipulated and erased and destroyed - political, religious, moral, worldview, habits, style of behavior, ways of thinking, habits, mental and emotional suppression and coercion.

Fierce press, pressure, coercion.

The pace of manipulation is very high, the manipulation is continuous, through all channels in every possible way, at a high speed that does not allow people to think.

People are being forced into blind trust in everything at this point, which has been over two and a half years now.

Power is used,

People are not allowed or given time to weigh things up or down.

Conclusions are imposed, behavior is imposed, emotion is imposed, fear is imposed and the spread and sowing of continuous fear, which turns into depression, psychotic deviations.

The press is everywhere, in the family, at work, on the street, in institutions, in city and other transport, on streets, shops, malls, polyclinics, hospitals and others, universities, schools.

Human demoralization and complete strict dependence on guidelines for action and behavior from the authorities are aimed and achieved.

Continuous life in fear, stress, threats from all sides, from all possible relationships.

People's weak points are attacked - their fears, anger, fear for life, fear for themselves, for their loved ones, for relatives, for friends, for colleagues.

PEOPLE'S NEGATIVE FEELINGS ARE ATTACKED - sadness, fear, anger, hostility, hopelessness, disappointment, hatred, guilt, .

THE GOAL IS TO CAUSE ONLY NEGATIVE FEELINGS and NEGATIVE EMOTIONS such as - anger, hatred, fear, stress, sadness, guilt, frustration, exasperation, shame, vulnerability

Consciousness is turned off, reason, thought, total impact of consciousness and causing and CHANNELING of people's BEHAVIOR is turned off.

MANIPULATION RULES PEOPLE'S EMOTIONS AND FEELINGS, which are negative, create only NEGATIVE FEELINGS AND EMOTIONS, and AMPLIFY AMPLITUDE IN A HUGE AMPLITUDE BOTH IN A SHORT TIME AND CONTINUOUSLY OVER A PERIOD OF MONTHS AND YEARS.

In reality, this manipulation destroys the person's personality, his life, meaning for life. The feeling of guilt intensifies.

Aggression, anger, guilt, aggression, is created.

Complete one hundred percent zombification - depriving the person of number, feeling, thinking.

Handling all levels of needs.

The value system of the person is destroyed, his instinct for preservation and instead is attributed to him a behavior that is not his. At the same time, an alternative opinion is not allowed. Anger is created towards people with alternative opinion, alternative behavior, statements, reflections, reasoning and conclusion of alternative thinkers.

One hundred percent control of feelings, emotions, thought, consciousness.

Conditions are created to suppress all positive emotions and feelings of people.

They are replaced and reinforced only by negative feelings and emotions.

A sophisticated technique that is used by many fraudsters to obtain benefits is the manipulation of people. Human psychology is such that they can be manipulated. Even during business negotiations, parties try to put pressure on each other by promoting their point of view. And in order to protect it from outside influence, you need to familiarize yourself with various methods of manipulation.

Manipulation creates and sustains only negative feelings in people such as –

sadness, anger, fear, hostility, hopelessness, frustration, impasse, helplessness, hatred, guilt, anger, resistance, panic, cruelty, rudeness. People's positive feelings and emotions such as happiness, humor, joy, love, gratitude, hope, compassion are suppressed, eliminating them and not giving them the opportunity to arise in people.

Propaganda is carried out by the media using scientists, immunologists, doctors, mathematicians, statisticians. Everyone is talking in the same direction, commenting, quoting, discussing and making, which is very interesting, the same conclusions that increase the tension

#### **4. The WORLD HEALTH ORGANIZATION and its participation in the whole process of imposing a NEW WORLD ORDER as a SUPRANATIONAL ORGANIZATION to impose rules, laws, procedures, to take away the NATIONAL SOVEREIGNTY of the countries, and to manage the processes in all countries to RUSH THROUGH PANDEMICS of the NEW WORLD ORDER , OF THE NEW SOCIAL GENOCIDE, and ALL TYPES OF GENOCIDE - FINANCIAL, HUMAN,**

77 World Health Assembly 27-05-2024 - 01-06-2024 - the plan to impose AGREEMENTS AND REGULATIONS binding on all countries of the World Health Organization with the ultimate goal of imposing a NEW WORLD ORDER and reducing the population of the earth to 500 million

The WHO is a specialized agency of the Organization of the United Nations - the United Nations, which acts and functions as a coordinating body of international health care.

It was founded on April 7, 1948 with headquarters in Geneva, Switzerland. It actually inherits the trust and resources of the Health Organization, which is an agency of the Society of the People.

Already with the formation of the laws of international law at the end of the 19th century and the beginning of the 20th century, the idea of establishing an international body became necessary. On December 9, 1907, a convention was concluded in Rome to establish the International Health Organization by the governments of the United Kingdom, Belgium, Brazil, Spain, the United States, France, the Netherlands, Italy, Russia, Portugal, Switzerland, and Epigate. .

In reality, the Health Organization of the League of Nations was created after the First World War.

That is aims to prevent and control diseases,

Efforts to run into trouble in World War II,

The World Health Organization has been involved in this process from the very beginning.

The World Health Organization was formed in 1948. and is a special agency of the United Nations. The WHO emblem shows the snake Moses wrapped around a wheel, symbol of the "all-seeing eye", on the image is a flat earth surrounded by two ears of wheat, symbol of harvest Harvest and 9 people.

In each ear of wheat there are 13 elements, a symbol of the 13 "Tribes of Israel". These are 13 Illuminati families.

At the 63rd meeting of the World Health Assembly, prepared by the secretariat and the World Health Organization, voluntary donations for 2008-2009 are selectively reported.

According to this report, the US government received 424.5 million US dollars and the Bill and Melinda Gates Foundation - 338.7 million US dollars.

Donors in the "Global Alliance for Vaccination and Immunization" GAVI with 85 million US dollars is the Gates Foundation. The Gates Foundation has donated more than 1.14 billion US dollars from 1999 to 2009. . While the US government donated only 569 million US dollars for the years 2001-2009.

For 30 years, human rights organizations and various other such activists have accused UNICEF and the World Health Organization of a planned campaign to sterilize the population in various countries using vaccines for various diseases.

For example, in 1993 a scientist at the Innsbruck "Institute for Biometric Research" of the Austrian Academy of Sciences and scientists and the World Health Organization are developing birth control vaccines.

2004 Nigeria boycotts vaccine manufactured precisely for sterilization

The vaccine contains estradiol, a form of the hormone estrogen.

This hormone leads to infertility.

1992 The World Health Organization excludes "homosexuality" from the list of diseases, giving real reasons and grounds for the proliferation of genderism.

2009 The World Health Organization was preparing to release 4.9-5 billion flu vaccines.

The Catholic organization "Mexican Committee for Life" organized protests.

The Rockefeller Foundation, working together with the World Bank, is working together with the United Nations Development Program, and Ford and others are working on the development of contraceptive vaccines.

The World Health Organization is given rights not only to make recommendations, but also, as usual, to demand and issue orders to countries.

On 30.01.2020, the World Health Organization declared a state of emergency without reason for this with only 34 infected and 1 deceased.

The data is as follows:

On 31.12.2019 the first 27 infected people appeared in China - in Wuhan

On 11.01.2020 – 1 died in China

On 20/01/2020 – 1 infected in South Korea

On 22/01/2020 – 1 infected in Thailand

On 24/01/2020 – 2 infected in France

On 25.01.2020 – 1 infected Austria

On 26/01/2020 – 1 infected Canada

On 28.01.2020 - 1 infected Germany

On March 11, 2020, the World Health Organization declared a pandemic.

On September 12, 2019, the Global Vaccination Summit was held in Brussels.

The main organizers were the World Health Organization and the European Commission.

TAKING DAYS, RNA TECHNOLOGY, NANOTECHNOLOGIES

Everyone will be connected to the 5G network with supercomputers that will control and manage it. In this way, there will be continuous control over his personality and life. The chip will transmit all personal data. Through nanoparticles or nanopots, it will be possible to control every part of the human body and change DNA through the 5G network. The chip will receive frequencies broadcast from the network 24 - 90 Gigahertz. Using the chip and the network, cryptocurrency will be mined. If a person with a chip disobeys, commands can be given to the heart or brain through nanoparticles, causing a heart attack or stroke. Everyone will be marked with the number of the Devil - 666, as written in Revelation of John chapter 13.

Vaccines will be enforced through terror. Vaccines will contain nanoparticles. With tweaks, the nanoparticles will be able to attach to molecules from other coronaviruses.

The nanoparticles are 25 nanometers and are so small that once injected, they pass through the intercellular lattice of the skin and make their way to the lymph nodes. Within minutes, they reach a concentration thousands of times greater than in the skin. The nanoparticles in these vaccines can be directed to move quickly in the desired direction and force the human's biological cells to move and grow in certain ways. directions. Back in 2009 scientists from the University of London have developed "micro shuttles" that can be injected during vaccination and deliver drugs to living cells. A microscopic chip should be embedded in these nanoparticles to automatically control the dose of medication. The separation of substances can also be separated by an external command - from a doctor or another, i.e. individual micro-therapy is created. The biggest advantage of using such micro capsules is that they are developed to be very stable in the human body, which protects their contents. These capsules can be used as repositories of medicines in the body for later use. Whoever manages technology will actually manage human health. That is different drugs can be released for specific cells. That is nanoparticles in vaccines can multiply their effects, either enhance or devastate a person's immunity. Chipping and vaccination are linked in one process. The justification was that the chipping was necessary for the vaccination. vaccination becomes a means of chipping.

Digital human identification has been considered since September 11, 2001. digital identification of the person by embedding in the person's body an electronic microchip.

In this way man can be ruled.

If signals are sent about the microchip, the chip can cause pain, clouding of the mind, cause blindness, deafness and others. That is this may allow making man a biorobot or cyborg.

Nanoparticles that are introduced with a vaccine into a person's circulatory system will travel and move throughout the person's body.

Every Covid 19 vaccine will be equipped with Pentagon nanotechnology.

DNA nanotechnology developed by the US Department of Defense and the DARPA scientific institution.

On March 12, 2020, INOVIO Pharmaceuticals announced that it has received a new \$5 million grant from the Bill & Melinda Gates Foundation to accelerate testing and manufacture of its proprietary CELLECTRA 3PSP smart device for intradermal/subcutaneous delivery of INO-4800 – DDDNNNK vaccine for COVID-19.

That is this proves that the vaccine was ready even before the pandemic. That is even before the "state of emergency" was declared in the western countries in connection with the pandemic, additional funding was announced for the special device that is needed to deliver this vaccine into the human body. The question is why a special device is needed.

Already on 12.03.2020, the working name of the vaccine that has already been produced is known - INO-4800, which vaccine is planned to move to phase 1 clinical trials in the USA as early as April 2020 with additional funding of 9 million US dollars.

That is Bill Gates funds a device that injects the vaccine. He also pays for the vaccine itself. CEPI = - through another organization of his -

Separately, the European Commission has already agreed with Bill Gates and has collected the sum of 8 billion euros. .is Bill Gates and the Pentagon will make huge profits even with the funding.

Initial development of the CELLECTRA 3PSP began back in 2019 with an \$8.1 million grant from the Medical CBRN Defense Consortium U.S. Medical Branch. Defense Threat Reduction Agency (DTRA).

The coronavirus was created back in 2015 in the US National Laboratory + Galveston” at the University of Texas.

## 5. CAPTURE AND MASTERING THE HEALTH, NATIONAL, POLITICAL SOVEREIGNTY OF EACH COUNTRY THROUGH THE WORLD HEALTH ORGANIZATION

**The goal is DICTATION, DICTATORSHIP, GENOCIDE and the implementation of the plan FOR IMPOSING WORLD ORDER through a supranational organization, whose plans, agreements and others SHOULD BE MANDATORY FOR EVERY COUNTRY.**

That is through the WHO, the deep mafia wants to control the whole world and realize its goals of reducing the population to 500 million inhabitants from 8 billion

77 World Health Assembly of the World Health Organization 27-05-2024 – 01.06.2024

That is why the WHO also creates the so-called IHR (International Health Regulations), which are currently being negotiated during the 77th World Health Assembly of the World Health Organization from 27.05.2024 to 01.06.2024 ..

Before that, negotiations between the WHO and member states on the PANDEMIC INSTRUMENT were frozen.

THE PLAN and STEPS to impose a SUPRANATIONAL ORGANIZATION to rule all countries to start a PANDEMIC and IMPLEMENT THE DEEP MAFIA PLANS€ PROCEDURES

WHO Member States agree to Executive Board Resolution 150(3) (2022) and World Health Assembly Resolution WHA75(9) (2022) and begin a process to amend the current International Health Regulations (2005) (IHR).

This is happening in parallel with the process of negotiations for the preparation of a pandemic instrument.

The negotiations on the pandemic instrument and the process are led by the WHO member states.

Here, the relevant Ministry of Health is responsible for each country.

The negotiations talk about the following main terms as follows in the period 22-26 April 2024.

"early warning signal"

This signal is given by the Director-General of WHO alone to all Member States. That is the procedure is activated upon a signal sent by a single person.

"event". It is an indication of the manifestation of a disease or a circumstance that creates the potential for disease. Whether there is an actual manifestation of disease is not discussed here.

- "sick person" means an individual suffering from or affected by a physical illness that may pose a risk to public health. It all depends on the free interpretation of the WHO Director-General.
- "National IHR Authority" means the entity designated or established by the State at the national level to coordinate the implementation of these Regulations within its territory. This means that this administration will be specialized and will be created at the request and initiatives of the WHO.
- "National IHR Focal Point" means the national center designated by each country that will be available for communications with WHO IHR Contact Points under these Regulations. The connection will be directly with the WHO, without any national mediation.

The powers of the WHO, who prove the withdrawal of health sovereignty, national sovereignty, the confidents of national security, and politicians sovereignty, national sovereignty, public sovereignty, sovereign guaranteeing human rights and freedoms

- The WHO Director-General has the following powers, which GUARANTEE UNIFORM MANAGEMENT OF ALL PROCEDURES AND DIRECTIVES AND AGREEMENTS WHICH ARE BINDING FOR EACH COUNTRY
  1. determine for the Member States in whose territory the event occurs whether it constitutes an emergency or a pandemic in accordance with the criteria and procedure set out in the new health rules
  2. If the Director General of the WHO and the Member States do not reach a consensus within 48 hours whether the event constitutes an emergency, the procedure under Art. 49 shall be applied. to the dissenting state.

This includes convening the Emergency Committee and making binding recommendations to the dissenting state

This includes convening the Emergency Committee and making binding recommendations to the dissenting state

- If the Director-General of the WHO determines that there is an international public health emergency in the country or countries concerned, including a pandemic, the WHO, under the order of the Director-General, can mobilize international assistance on the ground - i.e. international forces and forces from other countries subordinated to the Director-General of the WHO DIRECTLY.

At the same time, the Member State must respond to such a proposal as soon as possible, including the reasons for the response.

THIS PROVES that the WHO can enter the respective country without its consent and do whatever it wants in that country.

THIS IS STATE CAPTURE WITHOUT ANY SANCTIONS WITHOUT REQUIRING THE CONSENT OF THE RELEVANT STATE.

- Pursuant to Article 12, the WHO Director-General issues temporary recommendations based on Article 49, which may be amended or extended.

These recommendations may be issued with additional temporary recommendations after the end of the pandemic. IE AT THE DISCRETION OF THE DIRECTOR GENERAL WHO CAN DO WHATEVER HE WANT IN THE RELEVANT COUNTRY OR THE RELEVANT COUNTRIES IGNORING ANY SOVEREIGNTY OF THAT COUNTRY, IGNORING THE CONSTITUTIONS, LAWS OF THE RELEVANT COUNTRIES.

The national authorities of the respective countries are waiting for the Secretary-General of the WHO to determine all actions and for him to determine whether the pandemic has passed or not. He is the one who decides this, no institution from the respective country.

THIS AND REAL DICTATORSHIP and UNCONDITIONAL DICTATORSHIP and UNCONDITIONAL DICTATORSHIP.

- The measures, which are imposed according to the procedure under Art. 49, cannot be canceled earlier than 3 months after their announcement. MEANWHILE, THE DIRECTOR-GENERAL AND WHO REALLY RULE EVERYONE AND EVERYTHING IN ONE COUNTRY WITHOUT ANY EXPLANATION, IN VIOLATION OF ANY STATE LAWS, CONSTITUTION.

During this time, the ghetto party dipectop of the WHO CAN ANNOUNCE QUARANTINES, LOCKDOWNS, all kinds of masks, tests, restrictions, the issuance of the certificate, EVEN VACCINATION - FORCED.

- Along with the "standard measures", WHICH INCLUDES ALL RESTRICTIONS - MOSTLY FORCING ones.
- The Director-General of the WHO has the authority to impose restrictions, in the presence of two specific criteria in emergency situations.

Then they can be used by the Director-General of the WHO and other international organizations and bodies, at his DISCRETION, EVEN MILITARY BODIES and OTHERS to ENFORCE the MEASURES and ACTIONS ORDERED by the DIRECTOR-GENERAL.

- In accordance with Article 12, the Director General shall assess the availability and accessibility of health products necessary to respond to a public emergency.

That is THIS MEANS THAT THE DIRECTOR-GENERAL PERSONALLY DETERMINES THE TREATMENT, MEASURES, IMPACT AND ENFORCEMENT OF VACCINATIONV

WHO's surveillance and control of ports, airports, entrances and exits, as well as certificates and investigations of compliance with their certification procedures, are being strengthened.

That is THIS MEANS THAT ALL NATIONAL SOVEREIGNTY ARE ATTACKED - MORSA, BORDER, NATIONAL SECURITY, AIR SOVEREIGNTY, NATIONAL SOVEREIGNTY, POLITICAL SOVEREIGNTY.

ANY ACTIONS AND REACTIONS BY GOVERNMENTS, national services, national police, military of the respective country

are EXCLUDED. That is ANY OTHER NATIONAL BODIES AND ORGANIZATIONS MAY BE USED by the WHO Director-General, including NATO troops.

Each country must develop, strengthen and maintain, no later than five years after the entry into force of these Regulations, which are BINDING ON EVERY COUNTRY, the basic capabilities for detection, assessment, notification and reporting to WHO

WHO collects and evaluates this information, without INTERESTED IN THE ASSESSMENT OF THE CORRESPONDING COUNTRY.

INDIVIDUAL STATES ARE OBLIGED TO PROVIDE THIS INFORMATION every 24 hours after notification to the WHO.

Any consultations between the state and the WHO are IN CLOSED, SECRET.

If the relevant member state does not accept the proposal for cooperation that the WHO REQUIRES, the WHO MAY HAVE THE RIGHT to share with other member states the information it has.

WHO ENCOURAGES AND ACTUALLY COMPELS THE MEMBER STATE IN RELEVANCE TO ACCEPT WHO'S OFFER FOR PARTNERSHIP AND ITS STATE GOVERNANCE.

Realistically, if a country does not agree with the WHO, WHO can FORCE NEIGHBORING COUNTRIES TO CLOSE BORDERS - AIR, LAND, SEA with the respective country and in this way FORCE IT TO ACCEPT THE INSTRUCTIONS and FOLLOW WHO'S ORDERS.

In addition to the standard measures of disinfection, deratization and disinsection by a "given country" it may also require information on the complete itinerary of passengers, baggage or shipments, as well as a non-invasive medical examination of a "suspicious passenger".

The regulation is MANDATORY.

Point 14. Passengers who must be vaccinated or offered prophylactic treatment in accordance with these Regulations, or their parents or legal guardians, must be informed of any risk associated with vaccination or the use of preventive treatment and of the risk of disease and non-vaccination or use of preventive treatment.

That is EACH PASSENGER IS OBLIGED TO UNDERGO THE MEASURES INDICATED in point 14 - vaccination and others. THIS IS FORCED DICTATION

This applies to EVERY PASSENGER, even if he is not a patient.

EACH PASSENGER WILL NOT REALLY HAVE ANY RIGHTS OF CHOICE.

EVERY TRAVELER AWAY FROM HIS HOMELAND IS ACTUALLY FORCED TO BE VACCINATED IN ORDER TO BE ABLE TO RETURN HOME.

That is THERE ARE NOT AND CAN'T BE ANY RUDE PASSENGERS HERE,

That is WHO ASSUMES THE OBLIGATION TO IGNORE THE COUNTRY RELEVANT AND IMPOSE MEASURES AND ACTIONS ON TRAVELERS WHATEVER IT WISHES.

MEASURES FOR VEHICLES ARE EVEN HARDER.

EVERY PASSENGER TRAVELING WITH APPROPRIATE RELATIVES, actually and his RELATIVES COME UNDER THE ACTIONS AND MEASURES OF WHO.

MASTERING NATIONAL SOVEREIGNTY and all types of SOVEREIGNTY

Art. 42 stipulates that the measures implemented by the states must be in accordance with national legislation.

CONTEMPORARY Art. 43 requires that NATIONAL LEGISLATION SHOULD COMPLY WITH INTERNATIONAL NORMS related to public health.

That is THE NATIONAL LEGISLATION IS IGNORED BEFORE THE REGULATORY INTERNATIONAL ACTS OF A SUPRANATIONAL ORGANIZATION SUCH AS WHO.

AT THE SAME TIME, THE SOVEREIGNTY OF PERSONAL DATA, personal information,

According to point 2 of Article 42, it is permissible in theory, but not in practice, for a country to apply only its own national measures, but if it dares to behave in this way, point 6 gives it a period of 3 months to rethink its actions and at least finally comply with WHO criteria and recommendations.

Both personal and health data in accordance with Art. 45 with which a person is identified were confidential, THEREFORE THEY MAY BE PROCESSED and DISCLOSED when necessary at the request of WHO.

- The cooperation provides for reporting to the WHO on the measures taken by the states.
- According to Art. 45, personal and health data, which refer to an identified or identifiable person, were confidential, but.....regardless of this, they could be processed and disclosed when necessary for the purposes of the assessment and public health risk management, and of course - at the request of the WHO.
- Who prepares a list of experts for MOH? Who appoints one member from each country to intergovernmental and regional integration organizations? Who establishes the Emergency Committee? Who appoints the consultants to the Emergency Committee? Only one answer - the Director General of the WHO. You can see how, by sending their proposal for membership in these bodies, the countries themselves put the officials in the WHO as mediators of the dictatorship. And then they declare to us that they did not fulfill the will of the WHO. Yes, they are right because they left the will at the disposal of the official sent to the WHO, whose job it is to comply with the statute and its policy. He stops working for the country whose representative he is. Therefore, it is unnecessary to ask who are our delegates to WHO. Whatever they are - THEY ARE NO LONGER OURS.
- The first report of the results of the new MHR will be submitted to the WHO WHO after the 1st and before the end of the 5th year of the entry into force of the new MHR.
- There is also a Committee for the Implementation and Compliance of the International Health Regulations to "encourage" (i.e. pressure) their application and monitor the compliance of other international regulations with

these rules (i.e. a legal-administrative laboratory for correction of inconsistent legislation). Let's see the response of our people's representatives, who beat their chests that they will introduce laws to improve our living standards and our economy, when they have to vote on changes and revisions to national legislation and international treaties, and even concessions that do not correspond to the MoH . Art. 57 gives the right to states to interpret as they wish all other international regulations and agreements, as long as they do not contradict the International Criminal Code (ie the highest law may be neither the Constitution nor national or international legislation , and WHO rules). It's not even about enforcing laws, it's about interpreting them. We may have very good laws, but if they contradict the MHP they will have to go to mandatory interpretation. We have already seen how the constitution and laws are interpreted when they contradict the European regulations, so when the deputies swear to observe them - we must interpret their oath according to the interpretation in terms of contradiction of the noems.

Disputes between individual countries under the new IHR are intended to be referred to the Director-General of WHO or to the Permanent Court of International Arbitration, and disputes between WHO and individual/states to the World Health Assembly.

#### VACCINATION CERTIFICATES

Article 36 gives a green light signal to holders of vaccination certificates, even if they show signs of the disease, but also empowers the competent authority to which the certificate is presented to refuse the passenger to proceed if that control authority has access to verifiable indications and evidence that vaccination was ineffective. If the WHO body shows, but does not prove, that the vaccination WAS INEFFECTIVE, it should impose vaccination actions.

The "efficiency" criterion is deliberately not commented upon.

By COMPLETE CONTROL and MANAGEMENT of carrier certification, control is also given to trade and the entire economic process between countries, WHO CAN TRADE, WHY, and WHO CANNOT.

Each carrier will be required to complete "health declarations" and certificates of sanitary condition of the vehicles valid for 6 months.

According to Art. 40, point 2, health fees may be imposed on passengers

Any person can be treated or quarantined for a fee or vaccinated for free.

It is possible to QUARANTINE AVAILABLE on a given person.

Under the pretext of a "false positive", a person MAY BE FORCED QUARANTINED - ie. THE INCONVENIENT PERSONALITY.

#### AMENDMENTS TO INTERNATIONAL DOCUMENTS

With the new MZP, some international regulations in force until now are also amended:

- a) International Sanitary Convention, signed at Paris on June 21, 1926;
- b) International Sanitary Convention for Air Navigation, signed at The Hague on 12 April 1933;

- c) International Agreement for the Abolition of Health Certificates, signed at Paris on December 22, 1934;
- d) International Agreement for the Abolition of Consular Visas for Health Certificates, signed at Paris on December 22, 1934;
- e) Convention amending the International Sanitary Convention of June 21, 1926, signed at Paris on October 31, 1938;
- f) International Sanitary Convention of 1944, amending the International Sanitary Convention of June 21, 1926, opened for signature at Washington on December 15, 1944;
- g) International Sanitary Convention for Air Navigation, 1944, amending the International Sanitary Convention of April 12, 1933, opened for signature at Washington on December 15, 1944;

- k) The International Health Regulations of 1969 and their amendments of 1973 and 1981.

**ENTRY INTO FORCE, REJECTION AND RESERVATIONS**  
Art. 59 and Art. 61

- The Amendments are scheduled to enter into force on 31 May 2024.

This should be done at the table of the World Health Assembly of the World Health Organization from 27.05.2024 to 01.06.2024.

Within 18 months of the entry into force of the International Health Regulations, countries can reject the rules or make reservations. After this period, nothing will be possible.

- If a country is unable to fully adjust its domestic legislative and administrative arrangements with the IHR within 18 months, it must do so in an additional 12 months after the first 18 and if it has notified the Director General that it requests an additional period.

So, between 27.05 and 01.06.24, the development of progress in the arrangements for these amendments to the existing 2005 International Health Regulations will be reported.

Formally, their difference with the pandemic instrument is that they may not be legally binding, but for this purpose political will is required and representation in the structures of the WHO that is truly committed to our rights, to oppose within the given time limits.

And it is best not to have any involvement in this specialized UN agency at all.

It not only gives us the straitjackets, but also leads us to new debts and responsibilities.

## **6. THE PLAN OF COVID 1 - THE DRESS REHEARSAL FOR A NEW WORLD ORDER**

6.1. A threat is invented - it creates fear, which creates uncertainty - chaos

November 2019 - March 2020

Start China-beginning of recession in China, from there to the whole world

Tens of thousands of elderly people are killed

The number of infected is exaggerated, the number of deaths is exaggerated

A solution is being sought.

The solution according to "experts", "specialists", "professors", "scientists" "virologists" - precisely defined by the ruling class is vaccination. This is the only solution. There is talk of covering and creating herd immunity, which imposes and requires a minimum of 80-85% vaccination of the population

All this is perpetrated by all and any media - newspapers, television, radio, Internet, Facebook,

**THREAT - FEAR - UNCERTAINTY - CHAOS - PANIC**

6.2. The imposition of measures - deprivation of liberties, imposition of rigid beliefs - lockdowns and others is being propagated. The goal is to show that the rulers care and are concerned about the society and the people.

Promoting maximum care and concern for society and caring for people

March 2020 - December 2020

Imposition of measures, mostly senseless and unnecessary, unconstitutional measures. This must be done by force.

- Closure of businesses – trade, economy, production,
- Closing life – lockdowns
- Introduction of measures that violate the freedoms and rights of people, limit their rights and freedoms, violate them grossly, violate the constitutions.
- Introduction of restrictive measures, unnecessary, unconstitutional - to limit movement, work, business, economy,
- Restrictions on businesses – trade, restaurants, hotels, tourism,
- Suspension of trading,
- Stopping the economy
- Suspension of proceedings
- Control of actions, opinions, of the majority
- Separation of layers, creating conflicts on a horizontal level between people - users of services, providers of services - customers - restaurateurs, waiters, bartenders,
- Creation of conflicts at horizontal level.
- Creating conflicts between different layers of people - users, traders, sellers, customers, administration - vertical level.
- Sanctioning the people who violated the measures - with fines and others
- Creation of a propaganda system
- Creating a manipulation system
- Stimulation of scientists, researchers, managers, leaders and others who are in favor of a system, to spread their concern for society and imposing measures as an absolute necessity, a mandatory necessity,

- Punishing the disobedience of others
- Sanctioning the disobedient
- Imposing the PCR test as the only means of detecting the Covid-19 virus
- Creating confusion
- Presenting to us that part of the truth that satisfies the mafia.
- Data manipulation
- Incorrect treatment of the data for preserved, sick, hospitalized, deceased,
- Presentation of wrong statistics
- Presentation of data that is not complete and comprehensive
- Prohibition of effective types of treatments
- Imposing treatments and procedures that lead to more deaths.
- Creating conditions that only the vaccine is necessary, mandatory for survival
- Vaccines as the only salvation for people and humanity

It causes more and more panic and chaos.

To forget all the procedures that treat.

To prohibit all procedures that treat.

Anticipation of the vaccine and readiness for it to be administered regardless of the fact that it has not gone all the way through study and research.

Inducing panic

IMPOSING ANOTHER NORMALITY ON LIFE, BUSINESS.

Phase 3 - Vaccination

December 2020 - June 2021 -

Imposing the only mandatory solution - vaccination - the real lethal solution.

Imposing vaccines that have not gone through the entire testing process.

A free vaccine is promised. Free vaccines are offered by various companies.

Life, protection is promised,

A return to normality is promised.

It starts with the immunization of different people, different groups of people - doctors, nurses, medical staff, teachers, administrative workers.

Enforcing the requirement that businesses enforce and require vaccination of their employees and workers.

Immunization of different strata of society.

An economic recovery is simulated.

It simulates the recovery of the trade.

Simulating restoration of services - restaurants, and others.

Simulates no recovery of consumption.

Lies and untruths put the population and real reason to sleep.

Hiding the side effects of vaccines.

Hiding the benefits and harms of vaccines.

Hiding the real ingredients of vaccines.

Hiding the real ingredients and their effects on vaccines.

Transferring all the side effects, disadvantages, harmfulness of vaccines to the co-morbidities of people.

It is argued that vaccines do not treat people's co-morbidities and that their deaths are mostly due to these co-morbidities.

The opinion of a natural mutation of the virus, natural mutations of any kind and from different regions, prevails. The measures that limit the movement of people are confirmed.

These actions to impose harsh measures on the population, business and others are justified.

Imposing treatments in hospitals that are not disclosed to patients and their relatives. Imposing treatments - procedures that lead to the death of patients.

Imposing procedures that lead to the death of patients.

Imposing incentives on doctors, nurses, to vaccinate people, to administer PCR tests, and other tests.

Stimulating doctors and medical teams when people die.

Imposing a procedure to mark the deceased as having died based on the Covid 19 virus. And only that.

Setting up society.

Distinguishing and creating conflicts between vaccinated and unvaccinated, creating chaos and contradictions, to riots and - conflicts between people on a horizontal level.

The vaccine is for health and life but people.

The causes of the disease are not sought.

There are no studies that still show that there is chemical poisoning, chemical poisoning.

No x-rays are required, no C-reactive protein tests are done to show the extent of infection and disease.

Phase 4 – June 2021 – October 2021

Enforcement of codes, enforcement of certificates and distribution of certificates to people who have been vaccinated. And only to those people who have been vaccinated.

Only those who receive certificates health certificates and others can go out, can enter shops, restaurants, bars, halls, institutions and others. Enforcing the certificates as a pass to people's lives outside my home and in all the different institutions shops, businesses and more. Enforcing that only people vaccinated with certificates - employees and workers in companies can work. Deprived of the right to work and study of those who are not vaccinated and those who do not have certificates. Disregarding the fact that the sick cannot be considered to receive a certificate. Creating conflicts between people with a certificate and people without a certificate. Enforcing the requirements that even those who have had an illness be vaccinated. Privileges only to those with certificates. Denial of services to the unvaccinated. Creating conflicts between vaccinated and unvaccinated on a horizontal level. Imposition of compulsory PCR test with payment and imposition of compulsory vaccination.

Requiring the unvaccinated to pay for their treatment if admitted to hospital. Lack of goods in shops, lack of basic food for the population, lack of medicines.. Lack of transport connections. Lack of drivers. People control.Phase 5 - Establishing Lockdowns - chaos and imposing lockdowns on the entire population

November 2021 – March 2022

Phase 6- March 2022 - - September 2022

## 7. SCIENTIFIC - INCONVENIENT QUESTIONS TO THE INSTITUTIONS MANAGING THE PANDEMIC, WORLD HEALTH ORGANIZATION, GOVERNMENTS, INSTITUTIONS

DEPRIVATION OF ANSWERS to questions that give and give a better idea to people to navigate the problem

1. Is it true that there has been a plan for this pandemic since 2001, scenarios 2019, simulation 2019, patented vaccines since 2010?
2. Is it true that there is a UN plan for the pandemic, a plan as early as 1968? of the Illuminati, of the Club of Rome, of Institutions supported by Rockefeller, the Rockefeller Foundation and others?
3. Is it true that only and only deep mafia freemason companies have sponsored the World Health Organization like the Bill Gates Foundation and others?
4. Is it true that vaccines were patented long before the pandemic?
5. Is it true that this is why research on the contents of vaccines is not allowed?
6. Is it true that the creator of the PCR test, a Nobel laureate, himself stated that it is not a test for viruses?
7. Is it true that the creator of the mRNA technology himself stated that it is a gene therapy to change the human DNA?
8. Is it true that the European Commission is purchasing PCR tests - hundreds of millions of units already in 2017. ?
9. Is it true that as early as February 2019 there is a pandemic plan and strategy in the European Commission?
10. Why does the World Health Organization change the definition of a pandemic and declare a pandemic with only tens of infected people?
11. Why does the World Health Organization ban autopsies so as not to reveal the truth about the virus?
12. Why is there still no isolated and purified SARS-C@V2, proven with all the requirements of science?
13. Why are independent laboratory tests not allowed on the content of vaccines?
14. Why is research on vaccine content prohibited?
15. Is it because there are patents on parts of vaccines that are dangerous to human health and life?
16. Why are the manufacturing companies not responsible for the consequences and guarantees of the vaccines they produce?

17. Why are there no well-defined treatment protocols and procedures?
18. Why are there no studies on the effects and post-vaccine reactions of vaccines?
19. Why do those vaccinated with two or more doses get sick?
20. Why did the vaccinated cut the others?
21. Why is there no answer to the question of whether mRNA vaccines are genetic engineering that changes a person's DNA and it is inherited?
22. Why is it that in the majority of those who died from "COVID 19" more than 90 percent of their deaths were caused by thrombosis and clots in the relevant organs?
23. Why aren't the blood and the poisoning of the blood examined with what substances occurs in the infection process?
24. Why aren't the contents of the canisters that spray chemical substances on the planes examined?
25. Why is there no answer as to whether vaccines contain graphene oxide and other nanoparticles?
26. Why is there no answer to what is the impact of high and other frequencies on the conductivity of graphene oxide and its behavior as a "living organism" in the human body?
27. Why is it that in the countries with over 70-80 percent vaccination, the number of infected is constantly increasing, and that some of the infected are also vaccinated?
28. Why is it that in countries without a total lockdown and minimal measures of life changes, morbidity and mortality are much lower than countries with a high vaccination rate of over 70 percent and total lockdowns?
29. Why in the countries where there are no lockdowns, the mortality and infectivity is lower than the countries with complete lockdowns such as Germany, England?
30. Why are children vaccinated when science proves that their morbidity will be minimal?
31. Why is a network of supercomputers created in certain lines around the world?
32. Why is information about citizens' DNA being collected when there is evidence that each human's DNA has a typical spectrum emission?
33. Is it not intended to manage them through 5G and other networks?
34. Why is it not proven that when high frequencies are applied to graphene oxide, it begins to behave like a living organism and cuts and destroys the human tissues that are around it?

COVID-19 program of the World Bank "Program for strategic preparation and response to Covid-19".

Phase one

- o – it presents a “pandemic” response strategy
- o – it is neither a political nor a medical strategy
- o - make a clear plan for mass testing,
- o – makes a vaccination plan
- o – mandatory measures plan

o - plan for preparation of isolation rooms

o – proposal for the need to deploy military support / NATO/

This program is about the pandemic. Phase one will last until 2025.

Phase two is conducted depending on the outcome of phase 1, it creates a "narrow window of opportunity" that will oblige all countries to adhere to the measures of the plan.

That is a second, third, fourth wave is planned and expected from this plan until 2025.

By 2025, to build a complete digitization of all spheres and industries, building a total society, and the inclusion of supercomputers. Such supercomputers are introduced on the territory of Europe and in Finland, Italy, Luxembourg, Portugal, Latvia, Spain, Czech Republic, Bulgaria. In this way, the entire territory of the whole of Europe is covered.

This actually leads to digital feudalism, but in this article, in our opinion, it leads to digital MAFIOTISM.

People should be imprisoned in global digital concentration camps. They will be deprived of all rights and freedoms.

#### GOALS AND ACHIEVEMENT:

- the digital economy,
- digital money,
- digital medicine,
- digital education system,
- digital justice system.
- digital social system
- digital credit system for 24 knotrol
- digital biometric surveillance, controlling, sanctioning this

Plan must be completed by 31.03.2025. these are actually 25 projects that must be realized and implemented in the first phase of the program.

## 8. Conclusion

The goal of the New World Order is the creation and imposition of DIGITAL MAFIOISM with elements of a new holocaust, genocide and dictatorship by the deep mafia and the global Masonic elite
