Abstract

Lord prof PhD PhD Momchil Dobrev-Halachev developed 2008 "Theory of generating of crises", 2010 "Theory and practice of the Mafiotismus" and 2001 "Theory of the mafia". Based on these two theories this paper explain the establishment of the mafiotismus all over the world – principles, theory and praxis in European Union, European Commission and in the Republic Bulgaria

Keywords: Mafiotismus, Crise, mafia, corruption, theory, finance.

1. Introduction

Lord prof PhD PhD Momtchil Dobrev-Halachev and Prof. Mariola Garibova-DObreva developed 2006 "Theory of degree of democracy" and "Theory of degree of justice/injustice/" based on their practice in court, prosecutor's office, state and especially the practice of Prof. Mariola Garibova-Dobrev as a judge with dozens of years of experience as such as a civil and criminal judge and Prof. Momchil Dobrev participated as an observer in various types of elections.. Prof. Momchil Dobrev created 2001 Theory of corruption and Theory of mafia and Theory and practice of mafia, which contribute to the purification of the Theory of the degree of democracy.

In the year 2001 Lord Prof. Momtchil DObrev developed the Theory of the mafia and Theory of corruption . All the both theories has been developed by analyzing of the mafia and the corruption all over the wrld. In Bulgaria, germany, European Union, and other countires.

The fight against the mafia and corruption in Bulgaria in PRIVATE ENFORCEMENT since its formation in 2006 and the corresponding signals to the European Commission and the European Union do not yield results because the mafia is at the highest state and European level and does whatever it wants. This mafia holds courts, prosecutor's offices and all kinds of state institutions and the latter carry out its orders and carry out repressions, harassment, destruction of lives of Private Enforcement Agents who do not belong to the mafia..

3. EXAMPLE OF A MASTERED PRIVATE ENFORCEMENT by MAFIA FASCISM in Bulgaria - THE TIGHTEN UMBRELLA by Chief Prosecutors Boris Velchev, Tsatsarov, Geshev and Sarafov and Prosecutors Mariyana Stankova, Nina Yaneva, Daniela Dimitrova, Docho Dochev, Boyan Balev over a proven crime by the Chairman of the Private Enforcement Agent Georgi Dichev and a stretched umbrella from 2009 to 2024.

Below is a brief description of indisputable evidence of violations and crimes committed by the Chairman of the Chamber of Private Enforcement Agents GEORGI SAIKOV DICHEV and the stretched umbrella over him by the prosecutors of the Chief

Prosecutor SOTIR TSATSAROV and the Chief Prosecutor IVAN GESHEV - Prosecutors Mariyana Stankova, Docho Dochev, BOYAN BALEV, NINA YANEVA and dozens of others.

An umbrella has been stretched over these violations by the Private Enforcement Agent GEORGI DICHEV and the Ministers of Justice Hristo Ivanov, Pavlova, Tsetska Tsacheva, ZAKHARIEVA - ALREADY EUROPEAN COMMISSIONER, Danail Kirilov, Ahladova, Prof. Yanaki Stoilov, Nadezhda Yordanova, Krum Zarkov from the Ministry of Justice and all inspectors from the Inspectorate at the Ministry of Justice, as well as the PEOPLE'S ASSEMBLY and deputies from 2010 to the present 2024.

FACTOLOGY

3.1 On 29.02.2008, the company Ovid Enterprise" OOD, the initial claimant in enforcement case 20067810400247 initiated by Private Enforcement Agent GEORGI SAIKOV DICHEV - Chairman of the Council of the Chamber of Private Enforcement Agents since 2006. , acquires by notarial deed volume 027, number vh.reg.№ 638138 of notary Violeta Petrova a property on the second floor of a property on Tsarigradsko Shosse Blvd. of 945 sq.m.

On 18.06.2008, a decree for assignment was entered, issued by the Private Enforcement Agent Georgi Dichev in favor of the subsequent creditor in the enforcement case, the company "Megaenterprise" EOOD.

From the attacked decree it is clear that on 10.06.2008, the amount of 680,330 BGN was opened in the account of the company "Megaenterprise" with CorpBank. from the company "Ovid Enterprise", which amount the first company transfers to the special account of Private Enforcement Agent Georgi Dichev on the same date on the grounds of "announcement of a buyer of real estate 2 and additional payment from a building in Sofia Press Corps 1, which amount Private Enforcement Agent Dichev RETURNS BACK TO THE BUYER COMPANY, which transferred it to "MegaEnterprise" on 18.06.2008 on the grounds of "excess under case number 247/06, additional payment".

IT IS COMPLETE ABSURD TO RETURN THE MONEY TO THE ANNOUNCED BUYER.

During the investigation, Private Enforcement Agent DICHEV stated that the money was returned at the request of the debtor to his bank account in the Corporate Commercial Bank.

BUT THE COMPANY AUDIO VEGA NEVER HAD SUCH A BANK ACCOUNT.

NEXT LIE AND PREPARATION OF A DOCUMENT WITH FALSE CONTENT.

PRIVATE enforcement agent DICHEV APPLIES A REQUEST-FRAUD to the debtor to return the money to the BUYER.

How is it that both "Ovid Enterprise" acquires PROPERTY through a NOTARIAL ACT, in February and then FOR THE SAME PROPERTY PRIVATE enforcement agent DICHEV ISSUES A DECREE FOR ASSIGNMENT to the RELATED company - the company "Megaenterprise" !?! THE PURPOSE IS CLEAR. THIS IS A LEGAL ABSURD. BOTH THE PROPERTY was SOLD through and with a NOTARIAL ACT and after a public sale procedure was carried out - THROUGH A DECREE ISSUED for assignment by PRIVATE enforcement agent DICHEV.

These are the facts that the prosecutor's office has collected and for which it draws erroneous conclusions - BY PROSECUTORS BOYAN BALEV - multi-property owner, DOCHO DOCHEV, NINA YANEVA, MARIYANA STANKOVA.

The correct conclusions indicate that it is completely POINTLESS for the initial creditor company "Ovid Enterprise" to purchase from the debtor "Audio Vega" with a notarial deed the same property that will be acquired by public sale by the subsequent creditor "Megaenterprise" to whom "Ovid Enterprise" has transferred the claim.

It lacks logic for the second company to transfer the amount of 680,330 BGN to the account of "Megaenterprise", which will transfer them to the private enforcement agent Dichev, who will return them to them.

All this requires the conclusions that a public sale in the enforcement case of this second floor with the debtor "Audio Vega" was not carried out and a decree for assignment was issued, which was entered to give the appearance that this property was acquired by the company "Megaenterprise" and fictitious payments were also made to the account of Private Enforcement Agent Dichev, which fictitious amount is returned back to the buyer, who in turn returns them back to the imports "Ovid Enterprise".

All this is to steal this property without paying for its acquisition and this is in complicity with Private Enforcement Agent Dichev in his enforcement case.

If there was a public sale and an award decree was issued, then the private enforcement agent Dichev should have prepared a distribution under Article 495 of the Civil Procedure Code, deducting the claim that the Megaenterprise company has as a creditor and after including all the expenses of the enforcement case, as well as after examining the possible obligations of the debtor to the National Revenue Agency, a distribution was prepared, which determined the amount to be paid by the buyer, who is also a creditor, and this is by no means the entire amount of the public sale 708,373, but much smaller, and after this distribution comes into force, which is communicated to the parties, the buyer-creditor pays the difference after deducting his claim and other expenses, and this is not the entire amount of the public sale 708,373 leva. After the amount is paid and the award decree comes into force, which is served on the parties for appeal in seven days from the handover and payment of the local tax for the acquisition of the property, a decree for registration is issued. It is not possible to do this within seven days. any more THE AMOUNT THAT REMAINS IS NOT RETURNED TO THE BUYER, IN THE CASE OF THE COMPANY "MEGAENTERPRISE", BUT IS PAID TO THE DEBTOR IN THE CASE OF AUDIO VEGA

The decrees of prosecutor DOCHEV, prosecutor BAYAN BALEV, prosecutor NINA YANEVA and other prosecutors from the SOFIA CITY PROSECUTOR'S OFFICE ARE EVIDENCE OF A COVER-UP BY THE PROSECUTOR'S OFFICE of the Republic of Bulgaria over Private Enforcement Agent Dichev and other persons. With this indisputable evidence, prosecutor DOCHEV, BALEV, YANEVA REALLY REFUSE TO IMPLEMENT THE LAW -. THE PENAL CODE, the clear goal to LEGALIZE clearly and proven numerous crimes committed by Private Enforcement Agent Dichev FOR MORE THAN 15 / FIFTEEN / YEARS.

Nothing written by prosecutors DOCHEV, BALEV and so on DOES NOT CORRESPOND TO THE TRUTH.

Back in 2008. Private Enforcement Agent Dichev was notified of the assignment between "AUDIO VEGA" and the company Goldman Management - AMERICAN FIRM.

Private Enforcement Agent Dichev was sent a copy of the assignment agreement by mail and received by him. He was even sent an original of the ASSIGNMENT AGREEMENT for his inspection, if he wants to do so.

Repeatedly since 2008. up to now 2016 2017, 2018 Private Enforcement Agent Dichev has been INVITED TO RETURN THE MONEY, BUT HAS NOT DONE IT FOR 15 / FIFTEEN / YEARS..

This is an act of the MAFIA WHICH LEGALISES CRIMES OF ITS MAN, of a person from the MAFIA, WHO IS UNTOUCHABLE neither by the prosecutor's office, nor by the court, nor by the Minister of Justice. The Goldman management company has also been damaged by Private Enforcement Agent Kovacheva - former Private Enforcement Agent and Private Enforcement Agent Ivan Cholakov - WHO ARE UNTOUCHABLE by the PROSECUTOR'S OFFICE AND POLICE - BECAUSE THEY SERVE AND ARE PART OF THE MAFIA.

Is it a coincidence that the manager of the company "AUDIO VEGA" was POISONED? IS IT A COINCIDENT THAT THE PROSECUTOR'S OFFICE IS TRYING TO LIQUIDATE THE COMPANY through a judge from the Sofia City Court?

IS IT A COINCIDENT THAT PRIVATE OWNER IVAN TODOROV CHOLAKOV has sought the daughters of the poisoned manager of "AUDIO VEGA" to give up and have no claims in the case?

Why DO PROSECUTORS DOCHEV, prosecutor BOYAN BALEV, prosecutor NINA YANEVA and chief prosecutors IVAN GESHEV and OTIR TSATSAROV not investigate how and why Private Enforcement Agent Kovacheva illegally transfers the amount of 760,000 to Private Enforcement Agent Cholakov and the same is a bribe to the BUYER OF THE PROPERTY of the debtor "AUDIO VEGA" and even a fake SEAL of Private Enforcement Agent M.G. is prepared to seal the decree for assignment and the SAME TO BE REGISTERED in the Registry Agency?!?! Because IVAN CHOLAKOV and a former police officer close to ONE MANY PROPERTY FORMER DEPUTY. Chairman of GERB.

Why is it done so that Private Enforcement Agent M.G. is deprived for one year because in an enforcement case against the same debtor company "AUDIO VEGA" a public sale was carried out FOR THE SAME PROPERTY and THERE IS AN ANNOUNCED BUYER WHO HAS PAID THE MONEY and the money is again OWE to the AMERICAN COMPANY..

Therefore, Private Enforcement Agent M.G. is deprived of rights for one year, so that Private Enforcement Agent NEDYALKA KOVACHEVA, who received the archive of Private Enforcement Agent M.G.V, can transfer the amount of 712,000 leva from the special account of Private Enforcement Agent M.V WITHOUT HAVING AUTHORITY, WITHOUT BEING AUTHORIZED, to transfer the money to Private Enforcement Agent Ivan Cholakov,

who will again return the money TO THE ANNOUNCED BUYER.

And this is happening in the BANK OF the friend of the Prime Minister BOYKO BORISOL TSVETELINA BORISLAVOVA – SiBANK- AD – the disposal by a foreign person of the money 760,000 leva from the special account of another PEA M.G.

IS IT BY ANY COINCIDENT THAT THE PROSECUTORS of Prof. BORIS VELCHEV, of SOTIR TSATSAROV and of IVAN GESHEV and of BORISLAV SARAFOV do not bring charges of THEFT OF MONEY and ILLEGAL TRANSFERS from accounts of a special account in SiBANK – AD with the head of the supervisory board and the real owner of the bank VETELINA BORISLAVOVA - whose father is a colonel of the State Security and she is a friend of the MINISTER-PRESIDENT BOYKO BORISOV - are supported FULLY by the US service and the US presidents.

The above requires a conclusion that this is an organized criminal group, with the complicity of a private bailiff GEORGI SAIKOV DICHEV - PRESIDENT OF THE CHAMBER OF PRIVATE BAILIFFS in an enforcement case for the purpose of acquiring property without paying the corresponding amount and stealing the money that is owed to the previous owner.

The case is particularly serious precisely because of the personality of the private bailiff Dichev, since without his participation this crime could not have been committed on the one hand and on the other hand the conclusions that can be drawn about a criminal self-confidence committed by the Chairman of the professional guild, who should have exemplary behavior.

Instead, the person commits the most daring and unscrupulous crime, counting precisely on the fact that as the chairman of the Chamber of Private Enforcement Agents, the Prosecutor's Office, which has so far stretched an umbrella over his actions, will continue to do so in the future and his actions will remain unpunished, possibly extinguished by statute of limitations, as stated in the last part of the attacked decrees.

The complaints on the signal are as follows: Pr.pr. 9664/2017 – prosecutor BOYAN BALEV, On pr. Pr. 9113/2008 OTHER 2008. "" RULING No. 619 Sofia, 12.06.2024

COURT OF APPEALS - SOFIA, 11TH CRIMINAL, in a closed session on the twelfth of June in the year two thousand and twenty-four in the following composition:

Chairman: Vesselina Valeva

Members: Krasimira Kostova, Magdalena Lazarova having examined the private criminal appeal case No. 20241000600745 reported by Magdalena Lazarova under the inventory for 2024

The proceedings are in accordance with Art. 243, para. 7 and 8 of the Code of Criminal Procedure. It was initiated on the occasion of a private appeal filed by M. D. against ruling No. 1421 of 12.05.2024. under appeal No. 1984/2024, by which the City Court, referred to by the same appellant, confirmed, on the basis of Art. 243, para. 6, item 1 of the Criminal Procedure Code, a decree of 31.01.2024 of the City Prosecutor's Office to terminate the criminal proceedings under DP No. 5301/2019 on the inventory of the State Directorate of Internal Affairs, ex. ex. No. 9664/2017 on the inventory of the City Prosecutor's Office. Disagreement is expressed with the attacked judicial act, insisting on its annulment as incorrect, unlawful and unfounded, and on returning the case to the prosecutor for further investigation into the initiated pre-trial proceedings. It is argued that in this case the statutory limitation period under Article 80, Paragraph 1, Item 2 of the Criminal Procedure Code has not expired, since the pre-trial proceedings were initiated for a crime under Article 203 of the Criminal Procedure Code against an official who is known, namely Private Enforcement Agent Georgi Dichev, and despite the lack of charges brought against him, according to established case law, the absolute limitation period of 22 and a half years has not expired as of the date of termination of the criminal proceedings. In addition, it is claimed that the materials from the pre-trial proceedings also establish data on another crime committed in 2021. a crime by the same person, for which the statute of limitations has not expired - documented under Art. 311 of the Criminal Code, with the aim of concealing the crime under Art. 203 of the Criminal Code and with the aim of misleading the supervising prosecutor that the embezzled amount was transferred to the account of "Audio Vega" OOD at CorpBank, which it never had, and the Sofia City Court took no action in relation to it, despite the arguments presented in the appeal. The Supreme Administrative Court, after reviewing the content of the filed private appeal and the materials in the case, finds the same procedurally 1 admissible, and considered on the merits, well-founded for the following reasons: The pre-trial proceedings were initiated on 11.10.2019 because in the period 10-18.06.2008 in the city of Sofia, an official embezzled other people's money - the amount of 708,373 leva, property of TD "Audio Vega" OOD, entrusted to him to keep and manage them, the embezzlement being of particularly large proportions and representing a particularly serious case - a crime under Art. 203 para. 1 in conjunction with Art. 201 of the Criminal Code. In the course of the investigation conducted so far, no specific person has been brought forward as an accused. By a decree of a prosecutor at the Sofia City Court of 31.01.2024, the criminal proceedings were terminated on the grounds of Art. 243 para. 1 item 1 in conjunction with Art. 24 para. 1 item 3 of the Code of Criminal Procedure in conjunction with Art. 80 para. 1 item 2 of the Criminal Code, which was confirmed by the appealed ruling of the Sofia City Court.

The limits of judicial control under Art. 243 of the Code of Criminal Procedure cover rulings on the validity and legality of the act issued by the prosecutor. The factual part of the decree to

terminate the criminal proceedings should reflect the factual circumstances accepted as established in the case; the analysis of the evidence, as well as the relevant legal argumentation of the decision taken by the prosecutor. The prosecutor has the obligation to present convincing reasons, from which it is clear why the criminal proceedings are terminated, as well as that this is the only correct decision given the available evidence, thus making visible the process of forming his internal conviction and ensuring the possibility of the parties to the case to understand the accepted as established factual and legal grounds for the decision taken and, in case of disagreement with them, to fully exercise their procedural rights, including on its appeal. As the Sofia City Court rightly noted in the decree of 31.01.2024. the factual situation is described too schematically and incompletely, while at the same time its presentation also points to data on committed documentary crimes related to the crime under Art. 203, Paragraph 1 of the Criminal Code, for which pre-trial proceedings were initiated. They were the subject of investigation in the course of the same, as evident from the oral and written evidence collected in the case, including bank statements and other bank documents, and from the two graphic, forensic accounting and forensic economic expertises appointed and prepared in the case, which, however, were not the subject of analysis in the prosecutor's decree, but were only partially marked in the presentation of the facts accepted as established. In addition, in the covers of the case there is a written request from M. D. to the State Prosecutor's Office for the immediate initiation of pre-trial proceedings, which also indicates data about a documented crime committed by the Private Enforcement Agent Dichev., for which the present appeal complains about the lack of proper ruling by the prosecutor. The request in question was sent by the 2 supervising prosecutor to the one leading the investigation "for information and application under the DP", which requires a conclusion that the allegations contained therein were subject to verification in the course of the investigation under the already initiated pre-trial proceedings No. 3M 530/2019. according to the inventory of the State Prosecutor's Office, to the extent that they were assessed as relevant to the subject of the case, i.e. with them, in practice, the scope of the investigation was expanded. This circumstance obliged the supervising prosecutor, in his ruling on the merits, to take a position not only on the fate of the criminal trial for the crime under Article 203, Paragraph 1 of the Criminal Code, but also on the other crimes, evidence for which was collected in the course of the investigation, especially since a finding for the same is contained in the factual situations accepted as established in the prosecutor's act issued under Article 243 of the Criminal Procedure Code - the application submitted to the Private Enforcement Agent with Entry No. 02538/ 10.06.2008. by the new manager of the debtor company "Audio Vega" EOOD, in which a new bank account of "Audio Vega" EOOD in "Corporate Commercial Bank" AD was indicated, to which the overpaid amount of 708,361 BGN was to be transferred, namely account BG*****, is a false document according to the conclusion of a graphic expertise under protocol No. 156E/2020, and the indicated bank account is actually held by the creditor in the enforcement case "Megaenterprise" EOOD and from it on the same date the amount of 708,373 BGN was transferred to the bank account of Private Enforcement Agent G.D. on the grounds of "announcing a buyer of real estate on the 2nd floor of a building in Sofia Press Building 1", and on 18.06.2008 from the bank account of Private Enforcement Agent instead of the debtor the amount of 708,361 BGN was returned to the same bank account BG ***** back to the creditor on the grounds of "overpaid under enforcement case No. 247/2006", as in

the payment order for the transfer available in the enforcement case (submitted by the Private Enforcement Agent D. for the needs of the preliminary inspection - p. 122-123 volume 1 of the DP) an incorrect circumstance was entered - for the recipient the debtor "Audio Vega" EOOD instead of the actual holder "Megaenterprise" EOOD.

The prosecutor, however, was content to comment only on the crime under Art. 203, paragraph 1 of the Criminal Code, for which he assumed that the statutory limitation period under Art. 80, paragraph 1, item 2 of the Criminal Code had expired. The same approach was applied by the City Court of Sofia in its ruling of 12.05.2024. under Art. 243, paragraph 6, item 1 of the Criminal Procedure Code, despite the fact that the private complaint that initiated these proceedings explicitly emphasized this omission in the attacked prosecutorial act, but this objection was left without any response from the court. In view of the above, although the present appellate panel fully shares the considerations set out by the first-instance court for the existence of the grounds under Art. 24, paragraph 1, item 3 above. Art. 80 para. 1 item 2 of the Criminal Code for the termination of the criminal prosecution for the crime Art. 203 para. 1 of the Criminal Code due to the expiration of the 15-year statute of limitations provided for in the law, which was not interrupted within the meaning of Art. 81 para. 2 of the Criminal Code - there are no actions taken by the pre-trial proceedings authorities for the criminal prosecution of a specific person (the pre-trial proceedings were initiated against an official, who, however, was not individually identified by name, and during the course of the investigation no specific person was validly brought to criminal liability), the above-mentioned omissions in the prosecutor's ruling under Art. 243 of the Criminal Procedure Code require the annulment of the same as unfounded and unlawful and the return of the case to the General Prosecutor's Office, as they do not allow the prosecutor's will to be known regarding the remaining documentary crimes investigated in the case, for which there is no proper ruling, which is an obstacle to the exercise of judicial control on the merits regarding the existence or not of the grounds for termination of the criminal proceedings in their entirety. In this sense, the ruling of the Sofia City Court, by which the same was confirmed, should be annulled as incorrect. We proceed from the above and on the basis of Art. 243, para. 8 of the Code of Criminal Procedure,

SAS DECIDES:

CANCELS ruling No. 1421 of 12.05.2024 on appeal No. 1984/2024 on the list of the Sofia City Court and the decree confirmed by it of 31.01.2024 on termination of the criminal proceedings under DP No. 5301/2019 on the list of the State Directorate of Internal Affairs, ex. ex. No. 9664/2017 on the list of the State Prosecutor's Office. RETURNS the case to the prosecutor for implementation of the instructions given in the circumstantial part of this ruling. The ruling is final. ""

THERE ARE PROVEN gross violations committed by prosecutor Boyan Balev, WITH THE NAME FOR MILLIONS IN SOFIA, in connection with pr.pr.9664/2017, and respectively DOCHEV and under the case registrations 9113/2009, 9223/2009 and 7108/2009 by prosecutors MARIYANA STANKOVA, NINA YANEVA, DANIELA DIMITROVA, which led to a deliberate delay in the pre-trial proceedings, in order to expire the absolute statute of limitations and avoid imposing a penalty on the guilty official, in this case Private Enforcement Agent Georgi Dichev. Prosecutor Balev used his official position and, despite the evidence collected

in the prosecutor's file and the initiated pre-trial proceedings, did not indict Private Enforcement Agent Dichev, giving him an umbrella in order to escape criminal liability. The inaction is a violation that should engage the disciplinary responsibility of Prosecutor Balev, who should be requested by the Supreme Judicial Council to impose the most serious disciplinary charge of disciplinary violation. In addition, you should immediately remove Prosecutor Balev from the prosecutorial file and assign it to another prosecutor from the General Prosecutor's Office. My reasons for this request are as follows

The pre-trial proceedings under 9446/2017 were initiated on 11.10.2019 because in the period 10-18.06.2008 in the city of Sofia, an official embezzled other people's money - the amount of 708,373 leva, property of TD "Audio Vega" OOD, entrusted to him to keep and manage them, - AND THIS IS PRIVATE OWNER DICHEV as the embezzlement is particularly large and represents a particularly serious case - a crime under Art. 203 para. 1 in conjunction with Art. 201 of the Criminal Code. The signal I submitted concerns an enforcement case conducted by a private bailiff Georgi Saykov Ddichev. And illegal and criminal actions by the private enforcement agent Dichev, and not someone else or any other private enforcement agent. In this case, the perpetrator is known and if prosecutor Balev had noted this, the absolute statute of limitations would not have expired at the moment. It also expired due to the fact that no charges were filed against the private enforcement agent Dichev, which would have interrupted the statute of limitations, since in this particular case for a charge under Art. 203 of the Criminal Code it is 22 years.

During the pre-trial proceedings, another crime committed by Georgi Dichev was revealed, namely a documentary one. Prosecutor Balev has deliberately not taken any position on it even at the moment, even regardless of the mandatory instructions to rule, given by the supervisory instance of the Supreme Administrative Court under case number 745/24 initiated on my appeal against the decree to terminate the pre-trial proceedings, appealed by me before the Sofia City Court, whose act was appealed by me before the Supreme Administrative Court.

Reading the reasons of the Supreme Administrative Court - DECISION No. 619 dated 12.06.2024, it becomes clear that the covers of the pre-trial proceedings contain my request to initiate immediate pre-trial proceedings against the Private Enforcement Agent Dichev, indicating sufficient data about a committed crime and sufficient evidence has been collected for the perpetrator Dichev to be held criminally liable for a documentary crime committed by him. Instead of fulfilling his official duties, Prosecutor Balev sent this request to the person conducting the investigation for information and application under the Criminal Procedure Code. By this action, Prosecutor Balev deliberately delayed the process in order to allow the statute of limitations for the first crime of embezzlement by an official in particularly large amounts to expire, as the case is particularly serious, as well as not to act fully consciously in the presence of data on a committed documentary crime, which is established in an indisputable and undoubted manner from the evidence and from a documentary crime committed under the DP by an official in and on the occasion of the performance of his official duties and in order to conceal another crime, namely embezzlement, since the document was presented in the prosecutor's file. Private enforcement agent Georgi Dichev is an official within the meaning of Art. 93, item 1, letter b of the Criminal Code. In an enforcement case with a debtor

Audiovega OOD, he carried out an illegal public sale. According to my complaint in the course of the investigation against Private enforcement agent Dichev, the latter prepared a document with false content within the meaning of Art. 311 of the Criminal Code. With it, he pretends to have made a payment from a special account, which he maintains within the meaning of Article 24 of the Law on Private Enforcement of Debts, to the bank account of Audiovega OOD at Corpbank. The document was prepared in order to cover up another crime in the enforcement case /describe briefly/ and to establish that he transferred the remainder of the price to the debtor at the public sale, which was not done. The debtor Audiovega does not have bank accounts in Corpbank and this has been established indisputably in the case, which is why the investigation should be concluded with the opinion of the Bulgarian Criminal Court, charges should be brought against Dichev under Article 311 of the Criminal Code and an indictment should be filed against him, and the court should be requested to deprive him of the right to be a private enforcement agent. In this regard, I am attaching a copy of the decision of the Supreme Administrative Court and quoting the most important point, which gives reason to believe that as a supervising prosecutor Balev deliberately failed to fulfill his official duties in order to escape and thwart criminal prosecution and criminal liability of Ch.

From the reasoning of the Sofia Court of Appeal in Private Criminal Case No. 20241000600745 under the inventory for 2024, it is clear that Prosecutor Balev consciously turned a blind eye to the existence of sufficient evidence of a committed documentary crime and the perpetrator is known - Private Enforcement Officer Georgi Dichev, whom Prosecutor Balev consciously did not want to indict, and who, by his inaction, violated his official duties and concealed a person who had committed a crime: In addition, the covers of the case contain a written request from M. D. to the State Police for the immediate initiation of pre-trial proceedings, which also indicates data about a committed documentary crime by Private Enforcement Officer D., for which the present appeal is complained about the lack of a proper ruling by the prosecutor. The request in question was sent by the 2 supervising prosecutor to the one leading the investigation "for information and application under the DP", which requires a conclusion that the allegations contained therein were subject to verification in the course of the investigation under the already initiated pre-trial proceedings No. 3M 530/2019. according to the inventory of the SDVR, insofar as they were assessed as relevant to the subject of the case, i.e. with them the scope of the investigation was practically expanded. This circumstance obliged the supervising prosecutor, in his ruling on the merits, to take a position not only on the fate of the criminal trial for the crime under Art. 203, Paragraph 1 of the Criminal Code, but also on the other crimes, evidence for which was collected during the course of the investigation, especially since a finding for the same is contained in the factual situations accepted as established in the issued prosecutor's act under Art. 243 of the Criminal Procedure Code - the application submitted to the Private Enforcement Agent with Entry No. 02538/ 10.06.2008. by the new manager of the debtor company "Audio Vega" EOOD, in which a new bank account of "Audio Vega" EOOD in "Corporate Commercial Bank" AD was indicated, to which the overpaid amount of 708,361 BGN was to be transferred, namely account BG*****, is a false document according to the conclusion of a graphic expertise under protocol No. 156E/2020, and the indicated bank account is actually held by the creditor in the enforcement case "Megaenterprise" EOOD and from it on the same

date the amount of 708,373 BGN was transferred to the bank account of Private Enforcement Agent G.D. on the grounds of "announcing a buyer of real estate on the 2nd floor of a building in Sofia Press Building 1", and on 18.06.2008 from the bank account of Private Enforcement Agent instead of the debtor the amount of 708,361 BGN was returned to the same bank account BG ***** back to the creditor on the grounds of "overpaid under enforcement case No. 247/2006", as in the payment order for the transfer available in the enforcement case (submitted by the Private Enforcement Agent D. for the needs of the preliminary inspection - p. 122-123 volume 1 of the Enforcement Procedure Code) an incorrect circumstance was entered - for the recipient debtor "Audio Vega" EOOD instead of the actual holder "Megaenterprise" EOOD. However, the prosecutor was content to comment only on the crime under Art. 203 para. 1 of the Criminal Code, for which he assumed that the statutory limitation period under Art. 80 para. 1 item 2 of the Criminal Code had expired. The same approach was applied by the Sofia City Court in its ruling of 12.05.2024. under Art. 243, para. 6, item 1 of the Criminal Procedure Code, despite the fact that the private complaint that initiated these proceedings explicitly emphasized this omission in the attacked prosecutor's act, this objection was left without any response from the court.

This also proves the dependence and connection of the supervising prosecutor with the private enforcement agent Dichev, with whom he has had a contact since 2009 on other cases, including against Dichev, which Prosecutor Balev terminated.

In 2009, based on a fabricated report and documents with false content after contacting Private Enforcement Officer Dichev, who had promised Private Enforcement Officer Mariola Garibova that he would ruin her, since he had huge connections everywhere, including in the State Police, Prosecutor Balev without a single preliminary investigation and without any reason whatsoever, filed a criminal case under case number 9223/2009 against Private Enforcement Officer Garibova, which was subsequently terminated years later due to the lack of a crime. Without an investigation, based only on a single naked report, after a conversation with Private Enforcement Officer Dichev, which I also know about from other people, which is also reflected in the subsequent actions of Prosecutor Balev, which is also reflected in this criminal proceeding.

PROSECUTOR Balev, having asked him the questions "WHY ARE YOU SHOWING A DOUBLE, EVEN TRIPLE STANDARD?!?!?! Although in 2020 YOU COULD HAVE CHARGED PRIVATE PROSECUTOR DICHEV, YOU INTENTIONALLY WAITED FOR THE STATUTE TO PASS!! IS THIS INTENTIONAL AND IN SERVICE OF DICHEV?!?!?!"

You didn't even charge him with DOCUMENTARY CRIME?!?! WHY, prosecutor BALEV?!?!?!"

According to the pre-trial proceedings, there is also evidence of another crime committed by Private Enforcement Agent Georgi Dichev, for drawing up a document with false content under Art. 313 of the Criminal Code, for which the statute of limitations has not expired given the short time frame from the moment of drawing up the official document to the omenta. According to the file, there is sufficient data and evidence that Private Enforcement Agent Dichev presented, in order to mislead the prosecution, a transfer from his special account to the bank account of Audio Vega at CorpBank. It was established in an indisputable and

undoubted manner during the pre-trial proceedings that at CorpBank the company Audiovega OOD did not have a bank account at the time of the allegedly made transfer. It was established that this transfer was not made by Private Enforcement Agent Dichev, with which he aimed solely and exclusively to conceal the criminal prosecution under the main text under Art. 203 of the Criminal Code, for which act the statute of limitations has not expired at the moment. During the investigation, sufficient written evidence was collected, which establishes the following factual situation: It was established in an indisputable and undoubted manner that the debtor in the enforcement case with Private Enforcement Agent Dichev 20068100400247 "Audio Vega" Ltd. never had a bank account with Corpbank. There is also sufficient evidence of a committed documentary crime, the attached transfer order to the company "Audiovega" OOD, which has false content and was prepared by Private Enforcement Agent Dichev in order to mislead the prosecutor working on the case that there was a transfer of this amount. This is not a clear factual error, as reflected in the reasons for the SGP's decree and for which the SGC does not take any action, despite the reasons set out in the appeal, the contested decree, but is sufficient evidence and a legal reason to initiate pre-trial proceedings for a documentary crime committed in 2021, for which the statute of limitations has not expired. This is also evidence of another crime for which Private Enforcement Agent Georgi Dichev should be charged, namely under Art. 311 of the Criminal Code, for which the statute of limitations is ten years and has not expired. The evidence collected so far is available and the legal prerequisites for an immediate indictment of Private Enforcement Agent Georgi Dichev for a documentary crime. Such evidence was also collected for a crime under Article 203 of the Criminal Code, as the case is particularly serious, as well as under Article 202 of the Criminal Code for embezzlement in particularly large amounts and the case is again particularly serious. The latter is determined both by the particularly large amount of the embezzled amount of BGN 700,000 and by the circumstance that the act was committed by a private enforcement agent, who for four terms has also been the Chairman of the Council of Private Enforcement Agents and as such should be the person of the private enforcement agent and an example to follow, whose personal data do not match given the revealed crimes, namely. Instead of indicting the private enforcement agent Dichev, prosecutor Balev suspended the DP, in order to search for a person as a witness, absolutely unfounded and unnecessary and with the sole purpose of running out of absolute statute of limitations. In the case at hand, we are talking about evidence that is official documents and contained in the enforcement case of the private enforcement agent Dichev, as well as the presence of bank transfers. There is nothing to establish in these cases, which are documentary and are dealt with exclusively and only with documents. The testimony of any witness would establish absolutely nothing, much less contain a motive that he would indict the manager of Megaenterprise OOD Velinov, because of whom the DP was suspended. What accusation and what crime is not clear, but the goal is deliberately and consciously pursued by the inaction of Prosecutor Balev in the pre-trial proceedings - a supposedly legal, but absolutely unfounded, omission, in order for the absolute statute of limitations to expire and the criminal prosecution of the person, who is known from the moment of filing the report, to be Private Enforcement Agent Georgi Dichev, in which enforcement case was conducted with him, he, as a local bailiff, committed a crime and after that, in order to cover up his act, he prepared a document with false

content, for which the criminal statute of limitations has not expired and for which he should immediately be charged-/. Already in the penultimate ruling, prosecutor Dochev on the relevant case file, there is **INDISPUTABLE EVIDENCE OF DOCUMENTARY CRIME** by the private individual DICHEV - namely - a representative and an electronic transfer of money to a bank account of AUDIO VEGA at CorpBank, which was proven not to be true and such a transfer never existed. **THIS IS A DOCUMENTARY CRIME - FOR REPRESENTED** by order of another person to DICHEV - namely Krasimir Mollov, who boasted to me that he advised DICHEV to implement such an electronic transfer order - which **WAS NEVER BANKING EXECUTION and PERFORMED**.

Criminal proceedings No. 5301/2019 on the inventory of the Directorate of Internal Affairs, pr.pr.9664/2017, have been initiated and conducted against an official for a crime under Art.203 in conjunction with Art.201, para.1 of the Criminal Code for the fact that in the period 10-18 June 2008 in the city of Sofia he embezzled other people's money - the amount of 708,373 leva, property of "Audiovega" OOD, entrusted to him to keep and manage them, which embezzlement is of particularly large proportions and represents a particularly serious case - a crime under Art.203, para.1 in conjunction with Art.201 of the Criminal Code.

Thus instituted against an official, there is no way that this official is unknown, since from the materials of the correspondence and the investigation instituted in connection with this embezzlement, which was instituted by the Private Enforcement Officer Georgi Dichev, there is no way that anyone other than Dichev could have the status of an official within the meaning of Article 93 of the Criminal Code. Therefore, with the initiation of the criminal proceedings, the statute of limitations has been interrupted, there is no need to have filed an indictment, and Prosecutor Balev was also obliged to file an indictment based on this evidence. This circumstance is also taken into account in the reasoning of the Sofia City Court under case number 1984/24 on the occasion of the decree for the termination of the DP by Prosecutor Balev, appealed by me, as the court correctly notes in its reasoning, that there was serious delay on the part of the dispersing parties and this is not accidental. Obviously, by their inaction, both the State Prosecutor's Office and the investigators aimed to cause the statute of limitations to expire and the criminal proceedings against Private Enforcement Agent Dichev to be terminated.

These are the facts and the evidence collected during the pre-trial proceedings, on the basis of which Prosecutor Balev should have immediately charged Private Enforcement Agent Dichev, instead of deliberately delaying the proceedings and stopping them without any reason or justification for this.

These are the facts that the prosecutor's office has collected and for which Prosecutor Balev draws erroneous conclusions.

On 29.02.2008 Ovid Enterprise Ltd., the initial creditor in enforcement case 20067810400247, acquires by notarial deed volume 027, entry number 638138 of notary Violeta Petrova a property on the second floor of a property on Tsarigradsko Shosse Blvd. On 18.06.2008, a decree for assignment was entered, issued by the private enforcement agent Georgi Dichev in favor of the subsequent creditor in the enforcement case "Megaenterprise" EOOD. From the contested decree it is clear that on 0.06.2008, the account of the company "Megaenterprise" opened at CorpBank, the

amount of 680,330 BGN from the company "Ovid Enterprise", which amount the first company transferred to the special account of the private enforcement agent Georgi Dichev on the same date on the grounds of "declaration of a buyer of real estate" property 2 and additional payment from the building of Sofia Press Corps 1, which amount Private Enforcement Agent Dichev returned back to the company that transferred them to "Megaenterprise" on 18.06.2008 on the grounds of "exceeded under case no. 247/06, additional payment". How is it that both "Ovid Enterprise" acquires PROPERTY, in February and then FOR THE SAME PROPERTY Private Enforcement Agent DICHEV ISSUES DECISIONS FOR ASSIGNMENT to the RELATED to this company - the company "Megaenterprise" !?! THE PURPOSE IS CLEAR.

The correct conclusions indicate that it is completely pointless for the primary claimant "Ovid Enterprise" to purchase from the debtor "Audio Vega" the same property by a notarial deed, which will be acquired by public sale by the subsequent claimant "MegaEnterprise" to whom "Ovid Enterprise" has transferred the claim.

It is not logical for the second company to transfer the amount of 680,330 BGN to the account of "Megaenterprise", which should transfer them to Private Enforcement Agent Dichev, who in turn should return them back to them. All this requires the conclusions that a public sale in the enforcement case of this second floor with the debtor "Audio Vega" was not carried out and a decree for assignment was issued, which was entered to give the appearance that this property was acquired by the company "Megaenterprise", and fictitious payments were also made to the account of Private Enforcement Agent Dichev, which fictitious amount is returned back to the buyer, who in turn returns them back to the imports "Ovid Enterprise". All this is to steal this property without paying for its acquisition and this is in complicity with Private Enforcement Agent Dichev in his enforcement case. If there was a public sale and a decree for assignment was issued, then Private Enforcement Agent Dichev to prepare a distribution under Art. 495 of the Civil Procedure Code, by deducting the claim that the company "Megaenterprise" has as a creditor and after including all the expenses of the enforcement case, as well as after examining the possible obligations of the debtor to the National Revenue Agency, a distribution is prepared, which determines the amount to be paid by the buyer, who is also a creditor, and this is by no means the entire amount of the public sale 708,373 but much smaller and after this distribution comes into force, which is communicated to the parties, the buyer-creditor pays the difference after deducting his claim and other expenses and this is not the entire amount of the public sale 708,373 BGN.

After the amount has been paid and the award decree has entered into force, which is served on the parties for appeal within seven days of the service and payment of the local tax for the acquisition of the property, a decree for registration is issued. It is not possible to do this within seven days. Moreover, **THE AMOUNT THAT REMAINS IS NOT RETURNED TO THE BUYER IN THE CASE OF THE COMPANY "MEGAENTERPRISE", BUT IS PAID TO THE DEBTOR IN THE CASE OF AUDIO VEGA**

The above requires a conclusion that this is an organized criminal group, with the complicity of a private bailiff in an enforcement case for the purpose of acquiring property, without paying the corresponding amount and stealing the money that is due to the previous owner. The case is particularly serious, precisely because of the personality of Private Enforcement Officer Dichev, since

without his participation this crime cannot be committed on the one hand and on the other hand the conclusions that can be drawn for a criminal self-confidence committed by the Chairman of the professional guild, who should have exemplary behavior. In addition, the person commits the most daring and ruthless crime, counting precisely on the fact that as Chairman of the BCPEA, the Prosecutor's Office, which has so far stretched an umbrella over his actions, will continue to do so in the future and his actions will remain unpunished, possibly extinguished by statute of limitations, as is stated in the last part of the attacked decree.

Georgi Dichev's action is related to another case and was initiated by the Private Enforcement Officer Garibova, namely enforcement case 20068620400028, because of which case and the amounts received from it under a transferred public sale on the same second floor of Tsarigradsko Shosse Blvd. The first was deprived of rights with the active behind-the-scenes behavior of Private Enforcement Officer Dichev and during this punishment the amount received from the buyer of about 680,000 leva was illegally transferred by the voluntarily accepted archive of Garibova, Private Enforcement Officer Kovacheva, who illegally transferred without having the rights to work on the special account opened in the name of Private Enforcement Officer Garibova to Private Enforcement Officer Cholakov, together with the enforcement case. In order to attack the public sale of Private Enforcement Officer Garibova held at the end of May 2008, which public sale upon complaint was confirmed by the Sofia City Court, Private Enforcement Agent Dichev created a document with false content - a decree for the assignment of the same second floor without a public sale being held, which decree was immediately registered with the Registry Agency. The fact that a public sale was not held in the enforcement case of Private Enforcement Agent Dichev is evidenced by the transfer of the amount of 708,373 BGN to his special account /established by revealing bank secrecy/, which was intended to create the appearance of payment and the return of the same amount on 18.06.2008 to the principal "Megaoenterprise" EOOD. The public sale aims to cash in on the debtor's property, in this case "Audiovega" OOOD, in order to collect the claim of the creditor, in this case constituted under the cession agreement "Megaoenterprise" OOOD. After collecting the amount of the obligation, the remainder is transferred to the debtor, in this case "Audiovega" OOD, and not the creditor. This gives sufficient reason to assume that no public sale was carried out and the registered decree for assignment by the Private Enforcement Agent Dichev is a document with false content - i.e. there is sufficient data for the commission of two separate crimes in aggregate, this one by office under Art. 282, paragraph 3 of the Criminal Code, as the case is particularly serious and a documentary crime. Since there is sufficient data for my claim in the enforcement case, this gives reason to assume that there is sufficient data for embezzlement in particularly large amounts, as the case is particularly serious, in which case the statute of limitations is fifteen years and the Prosecutor's Office should press charges after initiating pre-trial proceedings against the Private Enforcement Agent Georgi Dichev.

BASIC RULES of MASTERING PRIVATE COURT ENFORCEMENT is FIRST BASIC LAW for MASTERING A STATE:

MASTERING PRIVATE COURT ENFORCEMENT.

At the very beginning. Adoption of a law under which private bailiffs close to the mafia are selected - some become private bailiffs only by virtue of an application as state bailiffs WITHOUT AN EXAM -

The same ones impose rules for coercion against private bailiffs who do not serve the mafia, forcing them to leave the system, to submit applications for leaving, a system for imposing disciplinary sanctions - even permanent deprivation without any violations,

17. AS A RESULT of the RICO ACT case in the USA, several ATTEMPTS TO KILL Prince Lord Academician Prof. Momchil Dobrev followed

On October 30, 2023, before the court hearing in the case of Prince Lord Academician Prof. Momchil Dobrev in the Sofia District Court, he was warned by a counterintelligence colonel that on November 1, 2023, Dobrev would be killed in the Sofia District Court building, just as the person Plamen Penev was killed in Stara Zagora during detention with his head pressed to the edge of the sidewalk, as for Momchil Dobrev it would happen in the Sofia District Court building when he was detained on the edge of the wooden bench on the second floor of the building, with the participation of judges, police officers and others on November 1, 2023 in the Sofia District Court building - Tsar Boris Blvd. 3 No. 52-54.

On November 1, 2023, Lord Prof. Momchil Dobrev has a court hearing against the Sofia Court of Appeal because Judge NELI KUTSKOVA abused her official position and, although she was taken to Momchil Dobrev's case against a construction company for losses of over 500,000 euros, she does not recuse herself but confirms the **REPLACEMENT** of the **SECURITY OF A FORBIDDEN IOT** of Momchil Dobrev's **DEBTOR - A CONSTRUCTION COMPANY** that has not returned his money since 21.12.2007. **SHE REPLACES THE SECURITY PROPERTY** for only 2500 euros - i.e. **MOMCHIL DOBREV** is guaranteed a **LOSS OF OVER 500,000 euros**, since the construction company no longer has any property after this act, and the non-return of the money and the non-transfer of property by the construction company has been proven by the **PROSECUTOR'S OFFICE**. I.E. **THE CASE IS ABOUT THE FACT THAT JUDGE NELI KUTSKOVA HAS CONFIRMED THE ILLEGAL ACTIONS OF REPLACEMENT OF THE SECURITY - THE DEBTOR'S PROPERTY BY JUDGE RAINA MARTINOVA OF THE SOFIA CITY COURT**, who also participated in the **TENTH ATTEMPT TO MURDER MOMCHIL DOBREV**.

Judge LYUBOMIRI IGNATOV, the judge in the case, again asks for Momchil Dobrev's ID card, as previously in a previous court hearing **ILLEGALLY AND WRITE MOMCIL DOBREV'S ID CARD** in the minutes of the court hearing and **REALLY THIS BECAME ACCESS TO MOMCIL DOBREV'S personal data in YALA BULGARIA**, which resulted in **ATTEMPTS TO THEFT OF MOMCIL DOBREV'S COMPANIES**.

MOMCIL DOBREV refuses to give his ID card, especially since he had changed his ID card at the police station a few days before. Immediately, Judge LYUBOMIRI IGNATOV picks up the phone and calls the court security.

Momchil Dobrev understands what is being prepared and that during this detention he will be killed **ACCIDENTALLY** and immediately takes measures to leave the building of the Sofia District Court, stopping 7 meters after leaving the court building.

He is attacked by 5 police officers who begin to squeeze his arms and body and forcefully take him to a courtroom on the second floor to continue the case in which MOMCIL DOBREV is a plaintiff. 5 police officers guard him in the hall. In front of the courtroom, 4 more police officers challenge him, but MOMCIL DOBREV remains completely calm for two hours and 54 minutes as the court session proceeds with the participation of a prosecutor, for whom this behavior of judge LYUBOMIR IGNATOV is not illegal.

After the court hearing, Momchil Dobrev demanded the recordings from the cameras inside the court and outside the court from the ministers. Assoc. Prof. ATANAS SLAVOV demanded the minister, the former criminal judge with property in GREECE, DECHEV, and has referred the matter to the acting Prosecutor General BORISLAV SARAFOV, the chairmen of the Sofia City Court, Judge ALEXEY TRIFONOV, and Judge ALEXANDER ANGELOV - chairman of the Sofia District Court.

There is no reaction, no compliance with the laws, no investigation. There are not even any actions by all members of the Supreme Judicial Council against Judge LYUBOMIR IGNATOV.

This tenth assassination attempt took place after on 19.02.2020, based on a **FALSE COURT REPORT** prepared by Judge Raina Martinova from the Sofia City Court, it did not happen, again on behalf of the mafia, with the participation of the mafia boss, statesman, judges and prosecutors, after the **NINTH MURDER ATTEMPT** on 19.02.2020 in the GM building at 20.45, on behalf of the **MAFIA BOSS GENERAL LYUBEN GOTSEV**, according to the words of the Deputy Chief of the SDVR - Boyko Borisov, the prosecutors of SOTIR TSATSAROV, through the judges Alexei TRIFONOV on the basis of a **FALSE COURT REPORT PREPARED** by Judge RAINA MARTINOVA from a court session on 22.11.2019 prepared by Judge Raina Martinova from Sofia City Court recording of 60 minutes became only 48 minutes with 17 **/SEVENTEEN/ MANIPULATIONS** of the **RECORDING** proven by expert reports did not happen, again on the orders of the mafia, with the participation of the mafia boss, statesman, judges and prosecutors, after the first attempt to **MURDER MOMCHIL DOBREV - 2011** with the **ARSON OF THE APARTMENT** where I live **WHERE THEY WERE GOING TO BURN HIS MOTHER AND FATHER WHO WAS BEDDED FROM 2008** after the death threats from a statesman who demanded that the Dobrevi family - Dobrev Halachev dynasty give their properties to HIM because as mayor of BB in 2008 he stated that the relevant **LANDS WERE HIS**, 2012 when **BUS TRYING TO DEFEAT Momchil Dobrev** and other attempts to murder me to him and his wife.

18. CONCLUSION

The described specific cases prove the **MAFIA FASCISM** of the **US-DOMINATED** country **BULGARIA**, the **GENOCIDE** of **LAW, JUSTICE, JUSTICE** and **ITS MAFIOTISATION** – there is no **RULE OF LAW** in Bulgaria.

This mafia has been reported to both the **EUROPEAN UNION** and the **EUROPEAN COMMISSION**, but also to the German Chancellors Merkel and Scholz, the French President Macron, and the British Prime Ministers when the country was part of the European Union, as well as to the US Presidents Obama, Trump, and Joe Biden.

There was no reaction, no compliance with the **LAWS** of the Treaty on the European Community, which proves the support of

this neoliberal neofascist deep mafia in Bulgaria by the USA and the EUROPEAN UNION - and a commission chaired by Barroso, Jean-Claude Juncker, and Ursula von der Leyen. CLEARLY THE USA and the EUROPEAN COMMISSION and the EUROPEAN UNION ARE INTERESTED IN THIS MAFIA AND THIS LAWLESSNESS in the Republic of Bulgaria.

THAT IS WHY THERE ARE CLAIMS FOR DAMAGES OF OVER 250 BILLION EUROS.

THE MAFIA HAS ITS OWN STATE – BULGARIA!!!!
